ENROLMENT POLICY

Underlying Principles

Immanuel Gawler is a school of the Lutheran Church of Australia and offers F-6 Christian education to all applicants regardless of ethnicity or disability, provided that through an enrolment procedure applicants undertake to:

- support the School's ethos, rules and regulations
- honour fee commitments

Where a student is identified with special needs, enrolment cannot be confirmed without full consideration of the individual needs of the applicant and whether the School can meet those needs. Special needs can be determined as intellectual impairment, physical impairment, social/emotional difficulty, sensory impairment or severe multiple disabilities.

The process for enrolling students with special needs is the same as that for enrolling any student and the family will be required to undertake an enrolment interview with the Principal together with any appropriate staff. This interview will ensure that the School fully understands the particular requirements of the student.

It may be necessary and appropriate for the School to hold discussions with, and receive reports from, school teachers, health professionals and other relevant persons prior to any decision regarding the enrolment of a student with special needs and the determination of a program of support. Any such consultations would only be undertaken with parental knowledge and consent. In addition, parents of any child who has special needs may be required to meet with staff from the Learning Support faculty to discuss how we are able to best cater for their child's needs.

Failure to disclose and provide details of students' special needs may result in the School's inability to accommodate the student and may delay the enrolment process. If a student is identified as having special needs after enrolment at the School or if the student's special needs increase substantially, the Principal, in consultation with parents and on receiving expert assessment, may reassess the enrolment in the light of the needs of the student and the School's normal enrolment criteria. If the outcome of such a review is that the School considers it cannot adequately meet the needs of the student, other options will be discussed with parents and assistance will be given in the identification and evaluation of options. At all times, the School will act in accordance with relevant disability discrimination legislation.

At Immanuel the first year of formal school is called Foundation (in line with the Australian Curriculum).

Enrolment Procedure

1. Through enrolment procedures parents seeking enrolment for their child/children undertake to support willingly and freely the stated purposes of Immanuel Gawler.
2. Enrolments are subject to adequate space and resources being available.
3. Before an application can be accepted it must be established that the school can meet the needs of the child and the expectations of the parents/caregiving enrolling their child.
4. Enrolment priorities will be determined from time to time by the members of the Immanuel School Council. Current priorities are siblings, children from Zion Lutheran Preschool and members of the Gawler Lutheran Church.

5. The School reserves the right to suspend a student for disciplinary purposes, temporarily or permanent, without refund of fees.
6. The person(s) signing the Enrolment Acceptance agrees to the terms and conditions and assumes responsibility for payment of all fees and associated costs as detailed in the Fee Policy.
7. The School requires copies of all Court Orders relating to the guardianship, custody, residence, parental responsibility, care, control or welfare of the students.
8. The student must comply with any requirements the School may make in respect of dress, general appearance, behaviour and participating in the School's program of activities.
9. Cancellation of an enrolment prior to starting School must be made in writing to the Principal. Where a student leaves the school (to attend another school within the local area) prior to their graduation to secondary school, one full term's notice is required in writing to the Principal. Where less than one term's notice of withdrawal is given in writing to the Principal, one term's school fees may be payable in lieu of notice.
10. If a child is enrolled to start in Foundation but the enrolment is withdrawn during the previous year, the enrolment guarantee will be forfeited.
11. Immanuel Gawler only offers one Foundation enrolment intake starting in term 1 and (in line with Government policy) a student must be 5 before 30 April in order to start in that calendar year.

Bases of Discretion

1. From the start of the 2019 school year Immanuel restructured to become an F-6 school only. This is in line with current Government policy and direction.
2. We are very keen that, if at all possible, all students complete 4 terms of Pre School / Kindergarten.
3. Some flexibility can be exercised, but the intent of admission in Foundation is based upon the child's readiness for school and/or extenuating circumstances.
4. The child's readiness for school should be the main guide – parents should be made aware of options of starting children later. There is no legal imperative for a student to begin formal schooling until they reach the age of 6.

Resources

1. This policy and associated procedural matters will be found in the Prospectus, and the School's website.

(Policy Adopted 26/6/17)

ENROLMENT PROCESS

Immanuel Lutheran School Gawler welcomes new enquiries about our school whether you have young children about to commence schooling or you are looking for a position in a particular year level.

Once per term we offer an “Open Day”, where you can visit the school and have an informal tour of the classrooms with our Principal. Open Day dates will be displayed on our website and advertised within the local community.

We also offer a Prospectus which provides further details about our school. The Prospectus can be obtained on Open Days, from our school office or you may contact us via telephone 85225740 or email mail@ilsq.sa.edu.au and we will be happy to post you a pack.

Process for New Foundation Student Enrolments:

There is 1 formal intake of new foundation students in term 1 of each year, unless places are not filled. These students will need to be 5 years of age before 30 April of their first year of school.

The following process should be followed.

1. Attend a school open day tour on one of the set dates. There will be one per term and a possible twilight tour in either term 1 or 4
2. Lodge the Enrolment Application Form/s with a non-refundable **administration fee of \$40**.
3. Attend an interview with the Principal (or Leadership Team) when invited. Bring the child to meet the Principal and provide adequate information regarding the child. Consider your ability to support the ethos and policies of the school and seek clarification on any matters in order to be ready should a position be offered.
4. These interviews will be generally conducted early in the school year.
5. Applications will be considered by the school and Offers of Enrolment letters will be sent to families accordingly. Families can consider and will have a clearly defined deadline.
6. To secure the position the **Enrolment Acceptance Agreement Form** will need to be signed and returned along with an **enrolment guarantee fee of \$400**.
This amount is only refundable when the child graduates from Immanuel at the end of their primary education, transfers to another Lutheran School or proof can be shown that the family has moved away from Immanuel Lutheran School Gawler such that travel is unreasonable.
7. A separate Enrolment Application Form is required for each child.
8. Discretionary enrolment interviews will be made as needed (if places become available and / or a family moves).

Process for Enrolment of Students in year levels other than Foundation:

Same as above process – along with

1. Enrolments are subject to adequate space and resources being available.
2. It is important to share any information that may be relevant to your child’s learning.
3. The ‘Application for Enrolment’ form must be filled in and signed by both parents and caregivers and forwarded with a non-refundable **administration fee of \$40** before a child may be considered for admission to the school.
4. Placement will be given to siblings of enrolled students, although all appropriate paperwork must be completed. The next priority will be families transferring from other Lutheran Educational facilities, either school or pre-school.

Fee Support 2021

Under the National Better Schools Plan funding arrangements it continues to be the responsibility of individual non-government schools to determine the value of financial assistance to be provided to low income families and how this will be administered. Our school has chosen to continue to use the DECD School Card application process as the primary means to independently assess a family's need for fee support. 2021 application forms will be available at the start of the new school year. Once confirmation has been received of your eligibility for School Card (at our school), then a Rebate of 30% will be applied to Tuition Fees and a further Rebate of 30% will also be applied to Camp Fees. Should a family be assessed as ineligible by DECD School Card they are welcome to contact our Business Manager for an Application for Fee Support for our consideration.

Preamble

Tuition Fees and any additional charges are determined each year by School Council and take into consideration current costs and anticipated increases enabling the school to continue to deliver high quality teaching and learning experiences.

Every endeavour has been made to have no cost increase for families again this year.

Fees

To support the sound financial management of the school and future capital development, 2021 tuition accounts are payable prior to the commencement of the school year.

Full details of current fees and charges are available on our website (www.ilsq.sa.edu.au).

Sibling Discounts

Sibling Rebates for 2nd, 3rd and 4th child will **only** be applied in order of current student enrolment where more than one child in the family is enrolled at Immanuel in 2021.

Payment Arrangements

Enrolment at Immanuel is on an ongoing yearly basis until completion of year 6 and annual fees are payable in advance. In each year, continued enrolment is subject to our Fee Policy (and conditions therein) applicable to that year and may be terminated where payments fall outside of those conditions.

Two options are available for payment of 2021 fees:

1. Annual payment with 8% discount by the due date of Friday 15/1/2021.
OR
2. Regular payment plan or Direct Debit over 48 weeks (weekly, fortnightly or monthly) with the first instalment due by Friday 15/1/2021.
(Quarterly payments for each term are only available by prior approval of the Business Manager).

Should families require assistance with their payment obligations, an appointment to discuss individual circumstances should be made with the Business Manager or the Principal prior to the due date.

The School Council has the discretion to offer fee relief based on an Application for Fee Support. This would apply a formula to annual income and be dependent on the number of children in the immediate family currently attending Lutheran Primary or Secondary education.

Fee Collection Procedures

1. In the first instance collection will be in line with the payment arrangements detailed in the Fee Policy.
2. To ensure ongoing enrolment any family whose account falls into arrears will need to negotiate a payment plan with the Business Manager for the management of past debt.
3. The school may charge a family account for any bank fees and related administration charges arising if a payment is dishonoured or rejected by the financial institution specified.
4. Late payment penalty of 20% may be applied to the full outstanding balance unless alternative arrangements have been negotiated with the Business Manager prior to the date of default.
5. Should an account fall into arrears by more than one term without an agreed payment plan being negotiated by the payee, then the balance outstanding may automatically be referred for collection by our Debt Collection Agency, with any associated costs being added to the outstanding debt.
6. One term of notice in writing must be given directly to the Principal if a student is leaving the school, and for new enrolments one month of notice in writing before the beginning of the school year. In default of such notice, one term of school fees may be charged.
7. At the discretion of the Principal or where an account falls more than one term in arrears without an agreed payment plan being negotiated by the payee, or where that plan is not maintained by the debtor, the enrolment of the student may be suspended (pending full payment of the arrears) unless there is a written agreement in place outlining fee arrangements that have been negotiated and signed by all parties.
8. In the event that places are limited, families meeting fee obligations will be given priority.
9. In extreme circumstances and at the discretion of the Principal a student's enrolment may be terminated.

Please sign and return the page attached by Wednesday 2 December 2020 to acknowledge that you have read and accept the terms of the Fee Policy for 2021 and indicating your preferred option of payment.
