Dear Parents/Caregivers

ICAS Testing 2021

This year the University of New South Wales will once again be running the ICAS testing program. Students are able to take part in tests in a range of different curriculum areas, including Digital Technologies, Writing, English, Science, Spelling Bee and Mathematics. The primary school level tests are designed for students in Years 2 to 6.

Like last year's ICAS program, testing will be taking place in Term 3 and will be undertaken online.

Immanuel School Gawler already conducts comprehensive standardised testing and the purpose of ICAS is not to have students take part in additional diagnostic testing. Participation in ICAS testing is voluntary and the testing provides an opportunity for students to take on a challenge in the various curriculum areas covered by ICAS. We would encourage students who excel in these curriculum areas to take on this challenge. The University of New South Wales awards certificates to recognise student participation and achievement in ICAS testing.

Dates and fees for ICAS testing are as follows:

Test	Date – Week of	Fee
Writing*	Mon 9 to Fri 13 August	\$21.45
