Week 10

Fri 24 Sept: Sports Day (Gawler Sports and Community Centre)

END OF TERM 3

2021 Term Dates

Term 3

Monday 19 July to Friday 24 September (10 weeks)

Term 4

Monday 11 October to Wednesday 8 December (9 weeks)

THE BREAD OF LIFE

Bread may be the staff of life, but for this staff member it's toast and marmalade that's my staple. And I'm lucky enough to have a wife and mother who both make outstanding marmalade. (The last lot of the marmalade that my mumma made was from blood oranges and it's good!)

I know that not everyone is as cultured and likes marmalade and that's why God created tomatoes. Toast and tomato. Salt and pepper. Great tucker.

But what would toast and tomato be without bread? (Just tomato I guess), but what would life be like without bread? Sandwiches would fall apart and toast wouldn't be so hot. Caesar salads would be crouton less and what sort of soldiers would we dip in to soft boiled eggs?

I propose a toast to toast. Where would we be without it?

As we follow the Lord's Prayer through this week we come to 'give us today, our daily bread'. In this one bite sized sentence Jesus tells us that he cares for our 'here and now' and daily provision. But when we dip deeper in to the Bread of Life, Jesus is offering to feed our souls, with food that sustains and nourishes forever.

Like normal bread that we need to eat regularly to be strong and healthy, we also need to feed regularly on the Bread of Life.

Without it, we're toast!

Daryl

BOOK WEEK 21-27 AUGUST

On Tuesday 17th August, Perform Education visited Immanuel to present their Book Week performance “Bigger, Brighter, Better” to our Year F-3 students. The performance included song and dance and a wonderful storyline which showcased various Australian Authors and their latest books. These included “Ellies’ Dragon” by Bob Graham, “Strangers on Country” by Dave Hartley and Kirsty Murray and “How to make a bird” by Meg McKinlay. We learnt “Don’t give up on your dreams and what’s important”
“Hang on, tough it out, don’t let go, stay with it”

Our Book Week Dress Up Day was held today. Students came to school dressed up in a costume based on a favourite book character. Although we were unable to hold our usual Parade with parents attending it was still a really bright and fun day. We all had a ball dressing up and participating in the Book Week activities!

“I loved seeing the costume changes and the story telling in the play” (Sienna T, FP)

Photos of our Book Week dress up day to come in the next edition of Immanuel Insights.

LSO THANKYOU!

On Wednesday we celebrated our amazing LSO team with a Covid friendly morning tea at recess time.

A huge thank you to all of our Classroom and Administration LSO’s, we appreciate everything you do to support the students, teachers and our school community.

Thankyou to Mrs Darby for arranging the celebrations.

SCIENCE WEEK

Our celebration of Science Week included an incursion on Tuesday and Thursday, where the Marine Discovery Centre came to visit. Students were treated to the opportunity to take part in some interactive science learning activities based around marine environments, sustainability and Aboriginal education. The students enjoyed the opportunity for hands on learning and the virtual reality goggles were a big hit. It was a super interesting event where the students learnt a lot about Marine life and how we can help conserve it. Thank you to the P & F for organising & funding this event for us.

"I liked the idea of what they do, the activities looking through the VR was cool and one was looking at a pufferfish in a microscope." (Evie C, SU)

SCHOOL CONCERT

This year our Upper Primary classes (4,5,6) are performing in our Annual School concert. It will take on a different format this year due to our building works and Covid Restrictions. Each class will have their own theme and their performance will be recorded and uploaded onto Seesaw for Parents and caregivers to enjoy from home.

More information will be available soon.

iGOSH

Pupil Free Day: Fri 3 Sept.
Bookings have closed. If
needed please email
Katrina.

The Sept/Oct Vac Care
program is out!. Bookings
can be made at
www.carebookings.com.au.
Bookings close Friday 17
Sept at 2pm. Confirmation
letters will come home
Monday 20 Sept.

Online bookings for each
week close at 2pm on the
Friday prior. Any changes
or new bookings then need
to be made direct with
Katrina via phone, text or
email, please do not just
turn up on the day as we
staff according to numbers
of children and we must
adhere to this.

It is essential that you either
ring, text or email Katrina
when needing to book your
child(ren) in. Please do not
just turn up with them,
especially in the mornings.
We staff according to
numbers of children and
have staff / child ratios we
must adhere to.

SAKG GARDEN

Last week's lesson was all about propagating. Propagating is when you take a sample from one plant and growing that sample into another plant. This is a sustainable way of gardening and it doesn't cost anything. We also talked about selling the new plants and making money.

Here is a step by step guide...

Step 1: Take around a fifteen centimetre cutting of a plant.

Step 2: Remove leaves from the bottom 2 thirds of the cutting.

Step 3: Dip the cutting in a hormone liquid (or honey if don't have that).

Step 4: Then put it in a pot full of seed raising mix, wait a couple of months for roots to form.

Step 5: After roots have formed place it in a bigger pot, or the garden.

In the lesson we tried propagating rosemary, lavender, salt bush, geranium, daisy and succulents.

"I was hoping the plants worked. I snuck a look in the glasshouse later in the week to check on them." (Levi 5K)

"I enjoyed working with the Geranium plants because they smell so nice." (Alyssa 5K)

"I liked learning how to do the clipping, I have also started propagating my own Rosemary at home." (David 5T)

CURRICULUM NEWS

Foundation

Our Foundation classes celebrated Book Week with some art activities. They created some snail art works based on the book "Snail and Turtle are friends" by Stephen Michael King.

Year 1 UOI

Our Year 1 class have been inquiring into objects and materials.

Central Idea - We understand more about materials by exploring them

Lines of Inquiry:

- The characteristics of materials
- How materials change
- How and why different materials are used

Last week they experimented with floating and sinking. They created boats from different materials and tested their creations.

Year 2

Year 2 have been inquiring into measurement. They have been investigating 2D and 3D shapes and how we can accurately measure the area and perimeter of a 2D shape using an informal measurement of choice. We made predictions and tested our thinking.

Year 3 UOI

Our Year 3 students have been working on a unit about time and looking at how our lives are organised around time.

Central Idea - Our lives are shaped by our understanding of time

Lines of Inquiry:

- How the movement of the earth affects time
- Different perspectives on understanding and measuring time
- Time and human activity

This week we looked at how a year is determined by the earth's orbit of the sun. We modelled how the earth's orbit of the sun compares to the orbits of other planets and compared a year on earth to a year on other planets.

COLOUR EXPLOSION FUNDRAISING TALLY

We are having our Colour Explosion fun run on Friday Sept 17. So far we have raised over \$1000. We have chosen the GO GREEN option where this money will help fund our new nature play area and also a local bio diversity hot spot. Goodluck to all the houses as they raise funds for this terrific cause.

Class	Online	Cash	Trees Contributed	Total
Red Team (Clonlea House)	\$550.00	\$20.00	38	\$570.00
Blue Team (Para Para House)	\$355.00	\$45.00	26	\$400.00
Yellow Team (Trevu House)	\$345.00	\$0.00	23	\$345.00
Green Team (Martindale House)	\$200.00	\$60.00	17	\$260.00

COMMUNITY NEWS

Gawler Centrals Cricket Club - GCCC are now taking player registrations for the upcoming season in U11, U13 and U15 junior teams. Online registrations at - playcricket.com.au or contact Brad Hunt on 0437230718. Flyers are available with further information from the front office.

ILSG SPORT STAR PADLET — Paxton (Year 4)

A new addition to our school newsletter is a sports segment on a chosen student and their recent sporting achievement.

Our first feature is on our champion rollerblader Paxton in Year 4 Jones.

Paxton has been rollerblading since the age of 2. He has not only competed in blading comps in Adelaide, but in Brisbane, Byron Bay and International online competitions where he has been incredibly successful each time.

Learn more about Paxton's amazing story by scanning the QR code which will take you to a password protected Padlet. Password is: **ilsg**

GETTING TO KNOW OUR STAFF

This week we meet “Mrs Altus” from Year 4

Rebecca Altus

Role: Yr 4 Teacher

What's the top destination on your must-visit list? Borneo to see Orangutans and snorkel, Sri Lanka to see elephants and eat delicious food, Japan to visit Disneyland and see Snow Monkeys.

If you could snap your fingers and become an expert in something, what would it be? Art... or languages.... or biology... I'd better keep learning!

What's the first concert you ever went to? Queens of the Stone Age, The Offspring and ACDC (age 12).

What trend do you hope makes a comeback? 1940's and 1950's styles.

Favourite quote or proverb? Be a Fruit Loop in a world full of Cheerios.

????? AFL FOOTY QUIZ ?????

1. Who won the Brownlow medal in 2020?
2. Which teams played in the 2018 Grand Final?
3. What colours are the Adelaide Crows team?
4. What is the mascot of Port Adelaide Power?
5. Which SANFL team did Mr Cochrane play for?

Write your answers on a piece of paper and pop them into the entry box at the front office. Don't forget to put your NAME, YEAR LEVEL AND CLASS on your entry. The first entry drawn out of the box with all 5 correct answers will win a **prize!!!** **ENTRIES CLOSE MONDAY 6th September at 9am.**

The winner will be announced in the Monday Minutes email and posted in the Immanuel Insights Newsletter.

DISNEY QUIZ WINNER : INDIE ARGENT (5T)

QUIZ SPONSERED BY - SUBWAY (Gawler, Murray St)
