Forgive us our sins...

At age 6 my nephew's favourite joke was, "What do you call someone who loses his watch.... A LOSER!"

This has big ramifications for those of us who have spent more time looking for the remote control than using it. (It seems, it's OK to lose weight or be 'lost in love,' so being a loser isn't always bad?) There are some things however that we should avoid losing if at all possible... like your temper or your marbles (assuming you're into that game.)

I remember a few times when we lost our kids in the supermarket. I would make the joke that no one would keep them for long, but it didn't seem to calm my wife at all.

As we move onto 'Forgive us our Sins' in the Lord's Prayer we're reminded of a terrific story about a father who lost his son when he turned his back on his family and took off for the bright lights. Eventually the son had to eat pig's food because the money ran out and when he came to his senses, he went home. His dad was really pleased to see him and forgave him unconditionally.

I love the story of the Prodigal son. It reminds me that our God is a God of Grace (and just how powerful and important forgiveness is.)

And also that there's no place like home!

FATHERS DAY STALL

Last Thursday our students went shopping at the Fathers Day stall held at Immanuel where they were able to purchase a special small gift for their Dad, Carer or Special person. Thank you to the Immanuel Carers Group for organising this opportunity for our students who all really enjoyed the experience.

We hope all of our school community enjoyed a lovely Fathers Day last Sunday too!

"I was so excited to go shopping for Dad at school." (Maddy FB)

"I felt happy buying all the presents for my Dad, Grandpa and Grandad." (Arthur FB)

"HIBERNATION" WORLD PREMIERE

Poppy from Year 6 was recently successfully cast in her first professional Production for The State Theatre Company to play the role of Jeong in the world premiere of Hibernation written by Finegan Kruckemeyer and Directed by Mitchell Butler. The show has just played at the Dunstan Theatre in Adelaide.

Poppy was excited to be working with such a wonderful talented cast and crew where she was experiencing the working world in the entertainment industry.

Congratulations Poppy on this outstanding achievement!

WALK FOR ARMY VETERANS

Abigail from Year 4 recently participated in a Walk for Army Veterans. She completed the whole 10km's of a tough walk at Kersbrook and helped raise money and awareness for veterans.

Abigail's step dad is an army veteran and her dad is in the Airforce so this is a very important cause to her family. What a great way to contribute to the community and inspire others!

Well done Abigail!

SAPSASA RESULTS

On Wednesday 8 September a team of 28 Immanuel students headed to Lyndoch Oval with Mr Cochrane and Mr Semmler to compete in the annual SAPSASA Athletics Day against 13 other local schools. Students competed in sprints for 100m, 200m, 800m, 1500m, high jump, long jump, discus and shotput.

8 Immanuel students have now been selected to represent in the Gawler District SAPSASA team at the carnival on Monday 20 September.

Well done to all our Immanuel students!

COLOUR EXPLOSION FUNDRAISING TALLY

So far we have raised over \$8500.00, what an awesome achievement!

Immanuel has chosen the GO GREEN option where the money raised will help fund our new Nature Play area and also a local bio diversity hot spot.

Thank you to all who have contributed thus far.

Good luck to all the houses as they continue to raise funds for this terrific cause.

SCHOOL CONCERT

This year our Upper Primary classes (4,5,6) are performing in our Annual School concert online, it will be a concert with a difference due to COVID restrictions. Students have thrown themselves into the task of preparing for the concert this term. Students are involved in the production and filming of their concert items.

Our students have been working with Mr Hueppauff to create their own items for the concert and there has been a great deal of imagination and creativity shown which is very exciting.

Each class will have their own theme and their performance will be recorded and uploaded onto Seesaw for parents and caregivers to enjoy from home in Week 10 of Term 3.

SAKG STUDENT REPORT

In this weeks lessons we have been making veggie dips and flat bread. The focus for today's lesson is making the flat bread. Flatbread is a non rising bread which matches really well with the veggie dips which we found surprising.

"I find it fun because I can enjoy getting messy and have fun." (Xayvion A)

"I find cooking really fun when we get to mix the ingredients together." (Levi C)

"I enjoy eating our yummy masterpieces and enjoying the nice taste of everything that we have come up with, and therefore can enjoy." (Fawwaz K)

"I find cooking fun because I'm learning how to make dips and flat bread." (Ruby D)

"I enjoy the end session of cooking so I can munch and crunch on our messy masterpieces." (Iraklis R)

LEEK AND SPINACH DIP RECIPE

3 leeks	1/2 teaspoon red wine vinegar
1 1/2 tablespoons olive oil	1/2 teaspoon salt
4 cups coarsely chopped silver beet	1/2 cup plain Greek yogurt
1/4 teaspoon freshly ground black pepper	
2 tablespoons chopped fresh chives	

Step 1

Remove and discard root ends and dark green tops of leeks. Cut each leek in half lengthwise; rinse thoroughly under cold running water to remove grit and sand. Thinly slice leeks crosswise to equal about 4 cups.

Step 2

Heat a large skillet over medium-low. Add oil; swirl to coat. Add leeks to pan; cook 25 minutes or until very soft and caramelized, stirring occasionally. Stir in spinach, salt, and pepper; cook 2 minutes, stirring until spinach wilts. Remove pan from heat; cool leek mixture completely.

Step 3

Combine yogurt, chives and vinegar in a bowl. Stir in spinach mixture. Refrigerate until ready to serve.

CURRICULUM NEWS

Year 1 UOI - Our Year 1 students have been learning about directions and mapping. They spent a morning completing a Scavenger Hunt around the school to find where particular places or people are and working out the directions on a map to get there.

Year 2 UOI

Our Year 2 students have started work on a unit about life cycles and the natural world.

Central idea - Living things depend on each other as they develop

Lines of inquiry:

- Life cycles of plants and animals
- Relationships between living things and their offspring
- The interdependence of people and other living things

As part of their inquiry into this unit, students are starting to have all sorts of living things growing in their classrooms, including seedlings, silk worms and sea monkeys.

Year 6 Exhibition

Our Year 6 students have started on the process of preparing for this year's PYP Exhibition.

The Exhibition is the culmination of students' participation in the IB Primary Years Programme, where students apply skills, understandings and attitudes they have developed throughout their time in the program to inquire into an issue of significance in our world.

The Exhibition is based on the transdisciplinary theme of Sharing the Planet.

Students began with a provocation, travelling around Gawler by bus and on foot to observe and identify possible issues in our own community. From here they will look further at the theme of Sharing the Planet and how the issues they have identified might link with this theme, before getting together in groups to inquire in depth into their issue.

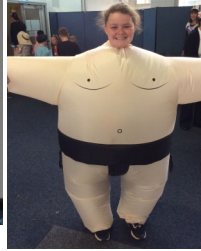

The Year 6 students put together some collages to highlight some of the issues they might look into for the 2021 Exhibition.

BOOK WEEK DRESS UP PARADE

Our Book Week Dress Up Day was held on Friday 27 August. Students came dressed in AMAZING Costumes from Book characters. Well done on such creative, bright costumes. We hope you enjoy the video and these fantastic book week parade photos.
