## Clocks

Over the years I've heard a lot of jokes about drummers, but as a guitarist who can't keep a steady beat with out them, I'm not going to throw any sticks in their direction. I don't know about you, but I'm in awe of anyone who can get two legs and two arms all doing different things at the same time - I can't even pat my head and pat my belly at the same time.

Bands need drummers. Not only to make sure there are no quiet moments, but to keep time for everyone. They are to music what Big Ben is to London.... Sitting monumentally at the back just making sure everyone's on track. And they're fun to watch pack up at the end of the night as well.

It seems to me though that clocks and time and schedules often dominate our lives. From the moment the alarm counts in the new day through to looking at the clock late at night and saying, 'my goodness, is that the time? I need to get horizontal', we are driven by timelines and deadlines and keeping track of time.

As we consider clocks and time this week as our Worship and Praise theme, we start to get ready for that amazing countdown to Christmas (and end of the church year) as we celebrate the first coming and birth of our Lord and Saviour and contemplate his return. And we remember that Gods timing is different to our timing, and while we may not always understand it, we can rely on it. Even more than a bad guitarist relies on a steady drummer.

## COVID 19 REGULATIONS AND OUR SCHOOL

As you are aware, the Commissioner of Police, acting in his role as the State Coordinator responding to the COVID-19 pandemic, has announced the *Emergency Management (Education and Early Childhood Settings Vaccination) (COVID-19) Direction 2021*.

The Direction applies to all employees, OSHC providers, volunteers, parent helpers, contractors and service providers either engaged by the school or contracted to provide services to the school and this direction requires all individuals to receive at least 1 dose of a Therapeutic Goods Association approved COVID-19 vaccination and a booking to receive a second dose by 10 December 2021, except those who have a [medical exemption](#) endorsed by the Chief Public Health Officer.

A copy of the Direction can be found at <https://www.covid-19.sa.gov.au/emergency-declarations/education-and-early-childhood-settings-vaccination>

We would like our staff, students and parent community to rest assured that we have implemented measures to ensure compliance with the direction by 10 December 2021.

I appreciate that this will be difficult news for some but our school has always been fully committed to implementing the best available health advice and has no option but to comply with the Direction which has been established as a result of SA Health advice.

I trust that we can all work together respectfully to ensure the safety of our school community.

Please do not hesitate to contact me if I can help in any way.

Daryl

## PLANT A DIFFERENCE FUNDRAISER FINAL TALLY

Money raised: \$17,600

Trees contributed: 1,173

What an incredible fundraiser; our students went above and beyond to support the fundraiser.

A special mention to Benji for his amazing effort and also the fact that he put his hair on the line and lopped his long locks for the cause. Eva and Jonah Ellis made a significant contribution as well. Thank you to Mrs Voigt for counting and banking the many cash and online donations. Thanks you to all students, families and friends for your enthusiasm and hard work contributing to a great cause.

## REMEMBRANCE DAY SERVICE

Thursday 11/11—The weather held off enabling all classes to gather together to commemorate the event and observe a minutes silence. Verses were read by year 3 students and Mr Hueppauff played the last post.

Some classes coloured and made Poppy badges to wear for the service.

## MAYORS CHRISTMAS CARD COMPETITION WINNER

Eva Ellis from Year 3 was selected as a winning entry to Mayor Karen Redman's Christmas Card Competition for 2021 coming in at 3rd prize for Yr 2/3 age group.

Eva along with her parents, brother and Mrs Roberts attended an Awards Ceremony on Monday 8 November 2021 at the Gawler Civic Centre. All of the special guests enjoyed a morning tea with Mayor Redman and received their prize and had a photo taken too.

Eva was presented with some books and a set of Christmas Cards with her picture on the front and our school name printed on the inside of the card. Congratulations Eva!

All entries from all schools will be displayed at the Gawler Civic Centre, Murray Street in Gawler throughout the Christmas season.

## YEAR 1 SLEEPOVER

Last week the Year 1's held their sleepover at school. 52 intrepid campers bunked down in their classrooms. Once the sausage sizzle dinner and some 'Just Dance' was played the students settled in to watch a movie in bed. The boys quickly settled and were soon fast asleep, the girls took a little longer with all the excitement.

On Friday the day began with a pancake breakfast cooked by Mr Trigg and Mr Wundersitz, and then lots of fun activities around the school. Alan from the Australian Childhood Museum shared his toys and activities from the past. All the children were really interested and engaged and learnt a lot. A fun filled night and day for our Year One students.

*"My bed was squeaky so I had to sleep on the floor - but I loved the pancakes for breakfast" Ariah J*  
*"I enjoyed the sausage sizzle for tea" Arlyee S*

## PJ DAY FUNDRAISER

The Year 6 Homelessness Exhibition group are very grateful for the support the community has given for Catherine House and The Hutt St Centre. It was such a fun day coming to school in our PJs and raising money for a good cause. The group collected 189 items and raised over \$578.00 for their project.

## ICAS COMPETITIONS

Throughout this year, students have been taking part in testing for the ICAS Competitions. We have received results for all of our testing, with the exception of Writing, which is still being processed.

## PREMIERS READING CHALLENGE

Congratulations to all our students who took part in the Premier's Reading Challenge this year. Immanuel Gawler was selected as one of the 55 high achieving schools to be invited to attend the 2021 Premier's Reading Challenge Reception.

Last week Kaylin Melville, one of our super readers, represented our school at the reception and received an award on behalf of our school from Premier Steven Marshall.

## PE WEEK

Physical Education Week was celebrated from Monday 8 to Friday 12 November in South Australian schools.

Mr Cochrane had a lot of exciting activities for students in his PE classes and also available for classes to take part in on the oval with class teachers.

A highlight was the Teachers versus Students Bocce game at recess!

## EXHIBITION Year 6

### PYP Exhibition

Our Year 6 students have been working hard over the last couple of months on preparing for the PYP Exhibition. Due to restrictions brought about by COVID-19 and our building programs, we have had to present the Exhibition online again this year. Students worked in groups with a variety of digital tools and platforms to put together online presentations on the issues they inquired into. Our Exhibition group projects can be accessed via this link:

<https://immanuelexhibition2021.mystrikingly.com/>

Students have also had the opportunity to present their inquiries with the rest of the school and this week they led some great interactive sessions in different year levels.

#### Society's responsibility to support homeless

#### Communities are responsible for animal welfare

#### Litter harms communities and environments

#### Education in sustainable practices can lead to changed behaviours

#### Human actions affect the Earth's habitats

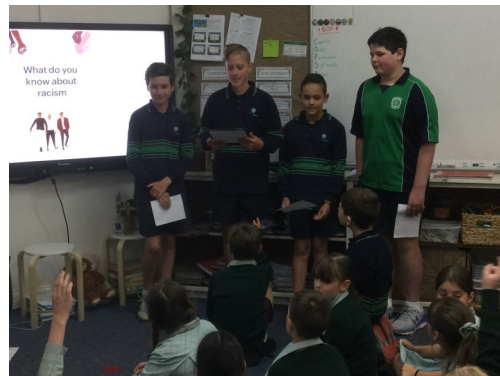

#### The Earth's climate is changing, affecting the environment and our lives

## CURRICULUM NEWS

### Year 1 Christian Studies

Our Year 1 classes have been looking at different religions in their Christian Studies lessons. Over the past few weeks they have been finding out about Islam. They were fortunate enough last week to have a visit from Fawwaz, one of our Year 5 students, who did a fantastic job of explaining some of the key features and beliefs of Islam to the Year 1s.

### Year 4 Unit of Inquiry

Our Year 4 classes have been finding out about indigenous cultures, starting with Aboriginal Australians but also looking at indigenous groups around the world.

#### Central Idea:

Indigenous peoples have unique connections to country

#### Lines of Inquiry:

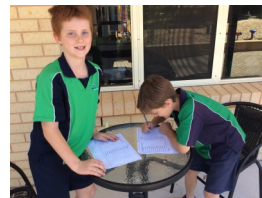

- The beliefs and laws of indigenous groups
- How beliefs vary between cultures
- How contact with outsiders affects indigenous groups

Last week they visited Parridla Taikondi and looked at how Aboriginal groups in the past used this area and why it has special significance.

### Indonesian—LOTE

Our Year 3 and 5 classes have been learning about directions in their LOTE lessons over the past few weeks. They had an opportunity to test out their knowledge, carrying out an orienteering course around the school, using Indonesian directions. The LOTE Students learnt the Indonesian navigation and direction words and used this knowledge to find different clues hidden around the school. The clues spelt out a special message.

Our Year 5 classes also had a special visitor during their LOTE lessons last week. Russell Ainsworth has lived and travelled in Indonesia over many years and has worked extensively with Indonesian schools and teachers. He presented to our students about his time in Indonesia, about Indonesian language and culture, and about some of the similarities and differences between life in Indonesia and Australia. Cora and Ellareese, two of our students with Indonesian background, came along to hear Russell as well.

Next week the Year 5s will have an exciting opportunity, as Russell introduces them to a class of students in Indonesia. They will be meeting up on a Skype call and will have an opportunity to ask questions and find out first-hand about school and life for kids in Indonesia.

## CURRICULUM NEWS (CONTINUED)

### Year 5 Maths

The Year 5s have been looking at financial literacy, organising budgets and calculating expenses. They took a very hands-on approach to this, by taking part in a \$20 challenge. Students were given a \$20 budget to organise a business to trade at a market day. There was an awesome assortment of snow cones, biscuits, rocky road, jelly cups and other treats on sale.

Students were very engaged in this and did a great job of preparing their produce as well as presenting and promoting their stalls.

## SPORT PADLET

Eva & Stella who are two of our many amazing dancers at Immanuel, competed in the Future Legends – Duo's & Trio's Nationals, as the SA state representatives. They made it through state qualifiers for their modern jazz routine and were meant to go to the Gold Coast to compete at the Nationals in August but unfortunately COVID hit and they were in lockdown. Therefore all entries had to be submitted via video. This didn't stop Stella & Eva who took out first place in a Gold Medal performance for the Duo & Trio category and were crowned National Champions.

Scan the QR code to catch a snippet of their performance.
