Who am I?

I am an Olympic athlete. I have competed in 4 different Olympic Games. I have won 8 gold olympic medals, 11 world champion gold medals, 2 world champion silver medals, 1 world champion bronze medal. I hold the world record for the men's 100m, 200m and 4x100m sprint races. Over my career I have set 7 world records. I retired in 2017.

You've probably guessed by now that I am Usain Bolt. The fastest man in the world.

This term for Worship and Praise our theme is Identity, in week 2 we ask the question Who Am I? A question which often we answer with our name, career, hobbies, age or anything similar.

When we look at the Who am I above, we know the answer is Usain Bolt, purely based on his achievements in sport. His identity is strongly defined by his achievements, by his skills and talents.

Something most people don't know is that Usain Bolt is a bold Christian man.

When we seek value from our worldly achievements, we are always grounding our identity in the value the world holds on us. By this logic, for us to hold more value we need more achievements and we need to do things to please others. This term we want you to change your thinking, where do you draw your identity from? God calls us to seek him and root our identity in Christ. When we know God, we have confidence in our identity in Christ and how he defines us.

WELCOME BACK TO 2022!

Sending a warm welcome back to our Immanuel community and special welcome to our new families for the start of the 2022 school year. We hope you all had a terrific holiday break!

MESSAGE FROM DARYL

As we come the end of the first two weeks of Term 1, I pass on sincere thanks to our entire community for the way you have approached things. With half of our students on site and half of our students off-site, it's been a very different start to the new school year. But there is much to be thankful for:

- Staff who are willing to be creative and agile; and who are student centric and understand the need for connection and relationship.
- Families who do their best and juggle a myriad of tasks and pressures
- Students who are thrust in to learning styles and patterns that are not their preferred, but do their best to make the best of it.

We look forward to having everyone back onsite next week and we'll advise you of any 'Covid requirement' updates as we receive them.

Car Park

From the start of week 3 we will cease parking on the oval. Please take the time to watch the See Saw instructions and remember:

- Don't enter School Lane via Daly Street – always head into the car park and either park there, or transit through the inside (right side) lane through to School Lane.
- To only exit from the School Lane car parks through to East Terrace – that is, don't head back down School Lane towards Daly Street (unless you are exiting the Daly Street Car Park only.)
- And above all...GO SLOW!

Drop Offs and Pick Ups

- For week 3 we will continue to have our Foundations gather on the JP playground in the morning and the Yr 1s on the Top Deck Playground in the mornings. (And vice versa in the afternoons.) Teachers will collect them from there and take them to class.
- All other grades will enter the school and put their bags in their bag area and head out to gather on the oval. Then when the bell goes they will head to their classes.
- We respectfully ask parents/caregivers not to hang around in the mornings or afternoons.
- We have a terrific new 'kiss and drop' area & you are encouraged to use that as much as possible!

Opening of New Buildings

We had been hoping to have an official opening of the new Warrinthei and Tanta Marta spaces at the end of Week 5, but this has been postponed. We will advise our community when this is rescheduled.

SPOTLIGHT ON : MUSIC

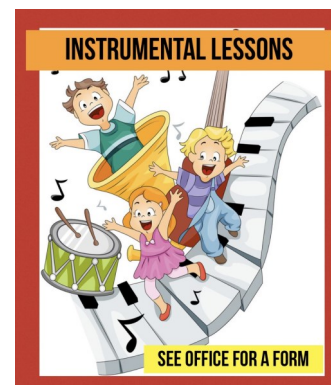

Music

Our music classes across the school are starting with a focus on learning about rhythm, with the exception of our Year 4s, who are doing some composition work linked to their unit of inquiry. We have had lots of fun over the first 2 weeks exploring the wonderful world of music.

Instrumental Tuition

If your child has an interest to learn a musical instrument please complete a registration form from the office or via our website or email Mr Hueppauff. Places are limited and wait lists may be in place. Please register your interest dwayneh@ilsg.sa.edu.au

We welcome: Sarah Todd, Glynn Morgan & Stacey Baldock as new teachers at Immanuel and Felicity Wrangles & Leticia Semmler as new LSA's

Farewell to: Jo Hurst (Front office)

After 12 years of service we farewell Jo Hurst as she takes some time to spend with her family. We would like to acknowledge and thank her for all her amazing work looking after our students and school community in the Front Office over the years. All the best Jo!

CURRICULUM UPDATE

It's been a very unusual start to the year and things have been pretty different in our classrooms. It has been great to see we've had some interesting learning and engaged students both at school and online. We are very grateful to our teachers, LSA's and iGOSH staff for supporting the students with online learning. Here is what we have been up to!

Foundation

Our Foundation classes have already started to look at sounds and letters as well as counting strategies. They are inquiring into ways we stay safe at school, starting with being sun smart.

Year 1

Our Year 1s are also looking at counting strategies and how numbers help us identify groups. They have started finding out about celebrations as part of their unit of inquiry and looked into Australia Day and Chinese New Year.

Year 2

In Year 2, students have been looking at character strengths & how these contribute to building a positive environment.

Year 3

The Year 3 classes have started inquiring into health & the different aspects of health (physical, mental, social, emotional, spiritual) & the different factors which influence our health.

Year 4

Our Year 4 students are starting the year by looking at appearance & behaviour, what influences people's appearance and behaviour, what it says about people and how it is perceived by others.

Year 5

In Year 5 students have started the year by looking at what makes a positive community & how self-awareness can help people contribute to a positive community.

Year 6

The Year 6s are inquiring into the way our experiences, our choices & the challenges we face can help to shape our identity.

Languages Other Than English – LOTE classes have started with a look at what we know about the world & where we might have connections. Students will also be looking at communication in different parts of the world.

PE

Classes have been challenged over the first couple of weeks, with a range of daily physical activity tasks which they have been completing at school or online.

SAFER INTERNET DAY 2022

Safer Internet Day 2022 was held earlier in the week and our students have been promoting the importance of **#playitfaironline** these first few days of the school year by taking part in a range of cyber safety learning engagements focusing on the importance of safe and positive online behaviours. Some topics covered include: privacy and personal information, cyberbullying and digital footprints. Teachers have also been referring to our school's ICT Acceptable Use Agreement either in class or online. We encourage families to continue the conversations with their children at home around being respectful and responsible digital citizens.

Scanning the QR code will take you to a Padlet which has been created for Immanuel families and contains links to useful resources from the website of the eSafety Commissioner.

SPORT PADLET—ASTONISHING ABBY

This week's ILSG Sports Star segment celebrates the magic that often happens when sport crosses over with the arts. In January of this year, Abby travelled to the Gold Coast to compete in the Evolution Dance Competition Nationals.

Abby performed 6 routines and was fortunate to place in 4 of them:

Vocal - 1st Place National Champion & Runner Up Highest Scoring Solo 8-9 years
Song & Dance - 3rd Place
Open Category - 5th Place
Musical Theatre - 5th Place.
To read more about Abby's amazing achievement and to see photos of her in action, scan the QR code which will take you to a password protected Padlet.

GETTING TO KNOW OUR STAFF

This week we meet “Mrs Manning” from Foundation

Hayley Manning

Role: Foundation Teacher

What’s the top destination on your must-visit list? Travelling to the Greek Islands is on my bucket list.

What’s something you’ve done, but will never do again? Bungy jump...in Bali or anywhere else!

If you could have a superpower what would it be and why? Time travel. I would go back and hold my children as babies again.

Favourite movie? Maleficent.

Favourite quote or proverb? “Take responsibility for the energy you bring” - Jill Taylor.

????? Getting to know ILSG QUIZ ?????

1. How old is Immanuel Lutheran School?
2. How do you spell our Music teacher’s surname?
3. What time does our school day start?
4. What day of the week do we have Subway lunches?
5. How many school buses does Immanuel have?

Find out and write down your answers and pop them in the entry box at the front office desk or email to sallyw@ilsg.sa.edu.au Don’t forget to put your **NAME, YEAR LEVEL AND CLASS on your entry**.
