#### **Term 2**

Mon 2 May to Fri 1 July

#### **Term 3**

Mon 25 July to Fri 30 Sept

#### **Term 4**

Mon 17 Oct to Weds 14 Dec

## Awe and Wonder

Have you ever played 'spotto' when driving in the car and been shocked at the amount of yellow cars on the road? Or someone has said something like "You don't see many black Toyota Corollas on the road do you?" Then for the next week it feels like every second car is a black Corolla, you're seeing them everywhere.

This happens in many aspects of our every day lives, things happen which are unexpected or unbelievable, but unless our mind is tuned and our eyes are focused to seeing them, we often overlook them. Roald Dahl once said "Those who don't believe in magic will never find it".

Every day little miracles are occurring, plants growing from seeds, all the way to producing food, a child being born, the sun rising and setting, even our body's ability to maintain life, to move us from one place to another.

When we look at the world with an open mind and are receptive to all the every day miracles around us we can see God's world through eyes of awe and wonder.

God is at work every day through all the little moments, every day miracles, we just have to open our eyes and hearts to seeing them.

This week I encourage you to delight in the small moments, seek gratitude in simple things and thank God for all he has given us and continues to give.

Emma Lange  
Youth Ministry

## MESSAGE FROM DARYL

It's hard to imagine, but this is our last newsletter for Term 2!

While there is still another busy week of school to go, we hope the 3 week break will be a safe and healthy time for everyone in our community.

Our board is in the process of adopting a Covid Vaccination policy which I expect will be implemented at the start of next term. The basic gist of it is that all staff and volunteers who are not at least double vaccinated will need to wear a mask when indoors and RAT daily when on site. When the policy is finalised we will share it with you more fully.

This week you should have also received an invitation to participate in a survey as our Strategic Planning process begins to ramp up. Please take the time to complete this as your input will be vital in helping to shape future directions for our school.

And finally, as we near the end of the term I want to express appreciation for your ongoing support of our school. Our community has done an amazing job this term and it's a privilege to work in a place that is so student centered and respectful of each other. Many blessings to you all.

Daryl

## SOUTH PARA VISIT—YEAR 5

On Friday 3rd of June the Year5 students in partnership with SA Water were involved with a revegetation project at the South Para Reservoir. We planted 500 plants in just 3 hours. We also worked together to make tree guards. For lunch we had a sausage sizzle and we got to play with the SA Water fire truck hose.

We had a lot of fun packing up the seeding pots! After all of the hard work we had a sleep or some students made snow angels?

Mackenzie S

## CABARET EVENING

It was very exciting to see our school community gathering in Taikondi again for one of our favourite social events of the year "Cabaret". Many of our students, staff and parents performed and showcased their talents on the night including, drum solos, dance routines, piano and guitar, singing and much more.

Thank you to Mr Huepau, the music tutors and all of the staff who contributed to putting together this exciting event!

## INSTRUMENTAL MINI CONCERTS

During Recess and Lunchtime this week we have had our end of Semester Instrumental Mini Concerts hosted by our amazing Music Tutors! Students who take private Music tuition were able to perform in front of their parents and caregivers. It is always a joy to see how these students are progressing with their learning. A

huge thank you to our Music Tutors - Dallas, Michael, David, Karen, Roger and Mr Huepau for organising this great concert series.

## JOSIAH ACES FLUTE EXAM!

Josiah S from Year 6 recently completed his Grade 1 Flute exam and gained a High Distinction (A+). This is a fantastic accomplishment for him. Congratulations to Josiah on this wonderful achievement!

## SPOTLIGHT ON LOTE

Our Foundation students have been learning Kaurna this term through the focus of the elements of country.

Our Year 2 students are looking at the ways stories are told for different purposes through the lens of Wayang Kulit (shadow) Puppets. Year 4/5s have written and performed shopping role plays in the Indonesian language.

These photos show the foundation students touring our bush tucker garden and the creative shadow puppets by the year 2 students. The photos also show an example of the 'shops' created by year 5's to perform their role play.

## iGOSH INFO July Vac Care (3 wks, Mon 4 to Fri 22 July)

Online booking have closed. Any bookings required now are casual bookings and depend on availability and are charged at a higher rate than permanent bookings.

Account reminders have been emailed, your prompt payment is appreciated.

Vac Care Consent and Confirmation letters to be sent home this Friday 24/6. They also have a section on them for overdue accounts that will need to be finalised before bookings can be confirmed. Please return just the consent form by the end of the term. We are looking forward to a busy 3 weeks.

**iGOSH Bookings** - If you need before or after school care during term please book in via [www.carebookings.com.au](http://www.carebookings.com.au). Reminder that bookings close 2pm each Friday for the week ahead. Any bookings after this need to be emailed, texted or phoned to Katrina. **Bookings before 2pm Friday are permanent bookings and after that are casual bookings, charged at the casual rate.** Term 3 bookings open next week.

**Covid Reminders** - Masks are now optional when dropping off and collecting your children. Please still wait outside for your children and avoid entering our rooms.

## CURRICULUM NEWS - UNIT OF INQUIRY

### Year 1

Our Year 1 students have been working on a unit based on materials.

Central Idea - We understand more about materials by exploring them

Lines of Inquiry:     The characteristics of materials  
                              How materials change  
                              How and why different materials are used

They have been sorting and classifying different materials and looking at their form and properties. They have also been looking at how these properties help make materials useful for different purposes.

### Year 3

Our Year 3 students have just commenced a new unit, looking at culture and some of the elements that make up culture.

Central Idea: Understanding culture helps us appreciate each other

Lines of Inquiry:     How people express their culture  
                              Factors that influence culture  
                              Culture and religious belief

Students began by looking at scenes from different cultures around the world and looking at some of the similarities and differences in the ways people live and take part in day to day activities.

### Year 5

Our Year 5 students have been inquiring into justice systems and looking at why they are set up, how they operate and the different factors and influences that affect them.

Central Idea: Justice systems affect and reflect the communities people live in

Lines of Inquiry:     Purposes of justice systems  
                              Elements of justice systems  
                              Effectiveness of justice systems

As part of looking into the different elements of justice systems, the Year 5 students visited the Old Adelaide Gaol. They found out about the corrections side of the justice system in Australia, some of the issues arising from prisons and how the system has changed over time. It was a very informative and engaging visit.

## GETTING TO KNOW OUR STAFF

This week we meet  
"Mrs Voigt"  
from the  
Front Office -  
Finance LSA

# Lee-anne Voigt

Role: LSO-Finance

What's your most used emoji? Laughing

What's the top destination on your must-visit list? Northern Lights (Norway)

Favourite movie or song or book?

I really enjoy reading books by Australian authors Tony Parks and Matthew Reilly

What trend do you hope makes a comeback? Disco

If you could invite anyone for dinner, who would it be and why?

My Mum and Dad (deceased) as there are so many things I would still like to talk to them about

## COMMUNITY NEWS - PROSPERITY TECH TRAINEESHIP OPPORTUNITY

Know someone finishing Year 12 and passionate about computers?

Prosperity Tech Solutions are looking for students in the greater Gawler region who are enthusiastic about computers / looking to pursue a career in IT, to undertake a paid traineeship. The trainee will be working both in the educational sector and assisting with technical support for local small businesses. They will also have exposure to working in a computer repair store. **No qualifications or previous experience required!**

The ideal candidate will:

- Be easily approachable
- Be eager to assist others and resolve issues
- Bubbly, friendly personality
- Can communicate with a diverse audience including school children, teachers, parents and customers.

Sound interested? Send through your resume to [brad@prosperitytech.solutions](mailto:brad@prosperitytech.solutions)

**UKULELE LESSONS** - Interested in joining a FREE ukulele group? ILSG gives students the opportunity to learn a musical instrument and play it with others. Would you like to find out for yourself how much fun that can be? Members of the Gawler Lutheran Church get together on Monday evenings from 6.30 to 8pm at Zion Church to learn some chords, sing along together and have some fun. The ukulele is a great instrument to start on as it only takes a few minutes to learn a few chords and start playing along, and learning with a group takes away the pressure of having to "perform". We laugh a lot, and there's a lot of encouragement. No cost involved.

If you would like to know more contact John Kowald (0403371766 or [johnkowald@hotmail.com](mailto:johnkowald@hotmail.com)) or speak to Mrs Altus (Year 4 TEACHER).
