HARMONY DAY

On Tuesday we celebrated Harmony Day by dressing up with something orange (symbol of communication and freedom) and the students enjoyed a sausage sizzle.

What is Harmony Day all about?

Harmony Day is around acknowledging and celebrating diversity and at its heart is:

- Respecting and appreciating everyone
- Working together without conflict
- Treating everyone as equals

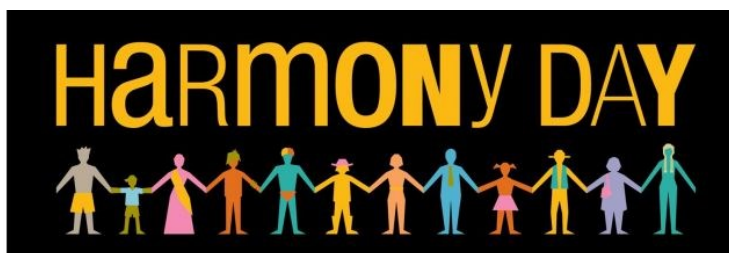

We have been celebrating Harmony Day for 24 years in Australia.

It turns out the first Harmony Day message was written 2000 years ago.

In Romans 12:16-18 it says...

"Live in harmony with one another. Do not be proud, but be willing to associate with people of low position. Do not be conceited.

Do not repay anyone evil for evil. Be careful to do what is right in the eyes of everyone. If it is possible, as far as it depends on you, live at peace with everyone."

GAWLER RELAY FOR LIFE - CANCER COUNCIL FUNDRAISER EVENT

Last Saturday a group of Immanuel students, parents and staff participated in the Gawler Relay for life event at Princes Park.

While our team was not all that big, the group who represented Immanuel did a great job at this very poignant event. Many thanks to the staff, students and parents who were able to come along and support such a great cause.

HARMONY DAY

On Tuesday 21 March we celebrated Harmony Day. Students and staff dressed in a Splash of Orange or a Cultural dress from their family and had a Sausage Sizzle lunch. There was a disco vibe at recess with Mr Hueppauff playing some funky tracks in the courtyard with students dancing and having a fun time. Staff were treated to Mango and Banana smoothies at recess.

A huge thank you to Mrs Gogoll, P & F and the parent volunteers who cooked the snags and organised the celebrations for our school community to enjoy.

CURRICULUM UPDATE

The IB (International Baccalaureate) aims to develop internationally minded people who can help to create a better and more peaceful world. Through the Primary Years Programme (PYP) students are encouraged to develop attributes of the IB Learner Profile: Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-minded, Caring, Risk-takers, Balanced and Reflective.

Year 4 SAKG (Stephanie Alexander Kitchen Garden)

Balanced – understanding the importance of balancing the different areas of our lives

The Year 4 classes have been working this term in the SAKG kitchen program and have been challenging themselves by trying out new recipes, new procedures and new equipment, while working together in teams to create some delicious dishes.

This week they created flatbread which they ate with tzatziki dip – both of which they made from scratch. It was great to have so many parent helpers working with them – your help was much appreciated.

NAPLAN

Risk-takers – being resourceful when faced with challenges and change

This week we wrapped up our NAPLAN testing at Immanuel. Students in Year 3 and Year 5 took part in a range of tests, covering writing, reading, language conventions (spelling and grammar) and numeracy. It was great to see the way students were focusing during the testing and dealing with something different and challenging.

Unit of Inquiry in Year 1

UOI Who we are - in our final week of learning about our senses we explored smell and touch by having a blindfold food test. The children were encouraged to smell, lick and then eat the mystery food. We had many risk takers in the class who tried the food. The foods were carrot, lemon, melon, chocolate, radish, potato, sour lolly, tomato, cheese and salt and vinegar chips.

SPOTLIGHT ON LOTE

At the start of the school term we started a Language Nut competition for grades 3-6. The competition ran until the 1st of March and was aimed at encouraging students to practice their LOTE skills at both home and school. I would like to say well done to all students that participated in the competition, especially the top three winners listed below. I would also like to mention Arthur S in year 2 for coming in 4th place, amazing effort.

1st place Lachlan M
(year 4)
2nd place Mitchell J
(year 4)
3rd Place Eleanor S
(year 4)

During LOTE this term the year 5's have been looking at how to introduce themselves in Indonesian and share information about themselves. Students have created a hoodie jumper to show information all about themselves.
