FROM OUR PRINCIPAL - Mrs Sue De Biasi

Psalm 46:10 He says, “Be still, and know that I am God”.

It was time to use some of my long service leave. Day one was a bit of a blur as I headed off, hoping I had packed everything. On day two I removed my watch. By about day four I was without power or internet service. It was hard to get used to that. By about day five I felt that I was really connecting with God as I travelled through the northwest of this amazing country. There was time to be still and really work on my relationship with God.

The trick is to stay connected to God each day, no matter how hectic life is.

I pray that we all make time for our God who loves us all.
