Sports & Activities

South Australian sporting and recreation bodies have come together to provide a coordinated program of *Come 'n Try* sessions for **5 to 16** year olds.

When & Where

It's all happening in the **second week** of the **Winter holidays** (Mon 10th July - Fri 14th July) with most sessions taking place during the day, however this *Come 'n Try* there will also be some **evening sessions** available.

Instead of just one session, **many sports** are providing *Come 'n Try* on **multiple days** at **different times** and as everything takes place around the **Park Lands** or in the **CBD** it's quick to get from one location to another.

Fees & Bookings

While costs may differ from sport to sport, most sessions cost around **\$10** so a full day of *Come 'n Try* could cost as little as \$30.

All sessions must be booked and paid for in advance at **www.comentry.com.au**
