

9 November 2018

Dear Parents / Caregivers

SWIMMING LESSONS 2018 - Foundation to Year 5 Students

When: Monday 26 November to Friday 30 November 2018
Venue: Starplex Gawler, travelling via bus

As part of our Health and PE Curriculum, children partake in swimming lessons once per year. The School Swimming program is a separate program to the existing private swim school offered through Starplex. **Skills, confidence and safety in the water are the main aims.**

The costs: (which include lessons and bus): **Year F, 1 & 2 Children \$57 (40 minute lesson/day)**
Year 3, 4 & 5 Children \$60 (60 minute lesson/day)

Please pay the Swimming Fees by **Monday 19 November 2018** either direct to the office or via Bank Deposit.

Please complete and return the **Student Medical and Permission slip** and the **Starplex Consent Form** to your class teacher or school office by **Monday 19 November 2018**, so details can be collated and sent on to Starplex.

Please remember to pack your child's swimwear, towel, thongs and goggles in a separate bag, ensuring their names are clearly labelled on all items. Children may wear their swimwear under their school uniform. In this case please remember to pack the dry underwear. If students have a one piece swimsuit they can get changed at school prior to going to Starplex. Children can wear the school uniform which they feel most comfortable to change in and out of for the week.

If your child suffers from asthma and this is noted on the Starplex Consent form they must bring their Asthma Puffers.

Parents are asked **not to attend on the first two days** of swimming so that swimming staff at the pool, our school staff and the students can attend to lessons, safety and organisational matters without distractions. Please also note parents are not permitted in the change rooms set aside for the students.

If using devices to capture your child during swimming please be respectful of other students' privacy. You must ensure that you do not share images of other students via social media.
