STEP 1:

To begin go to <http://www.carebookings.com.au>

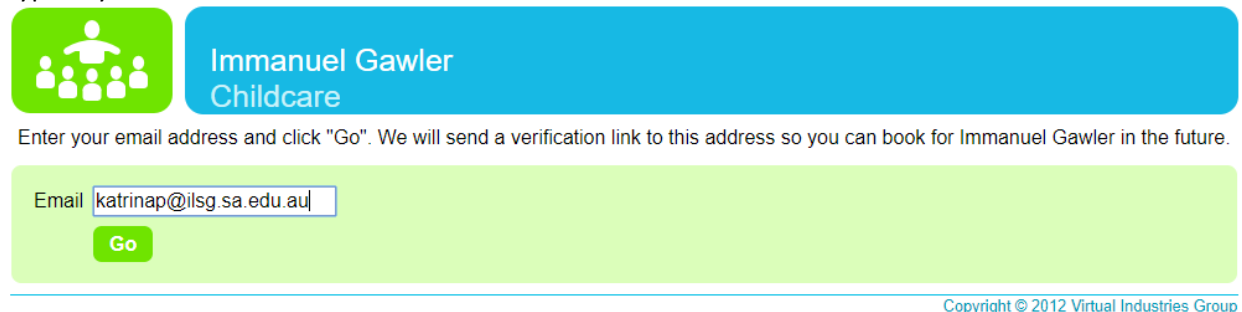

Type in code **KTQQ3**

The screenshot shows the CareBookings website interface. At the top left is a green icon of a family. To its right is the 'CareBookings' logo in white on a blue background. Further right is an orange banner that says 'Book your kids in - online!'. Below the logo are five navigation buttons: 'Home' (green), 'Tell me more' (blue), 'Contact us' (blue), 'Provider sign up' (blue), and 'Provider log in' (orange). The main content area is titled 'Parents...' and features a green box with a 'Booking code' label and a green arrow pointing to a text input field containing 'KTQQ3' and a green 'Go' button. To the right of this box, text reads: 'Book in seconds - any time, any place! Enter the booking code for your provider and press **Go**. If it's your first booking, we'll email you a token to access bookings immediately. But after that, booking is as simple as clicking the day you want and confirming. CareBookings works well on smartphones too, so you can make or cancel bookings in seconds, wherever you are. Or if you provider doesn't use CareBookings yet, let them know what they are missing!'. A red arrow from the text 'Type in code KTQQ3' points to the 'Booking code' label.

STEP 2:

Type in your email address and select Go.

The screenshot shows the CareBookings website interface for email verification. At the top left is a green icon of a family. To its right is a blue banner for 'Immanuel Gawler Childcare'. Below the banner, text reads: 'Enter your email address and click "Go". We will send a verification link to this address so you can book for Immanuel Gawler in the future.' Below this is a light green box containing an 'Email' label, a text input field with 'katrinap@ilsg.sa.edu.au', and a green 'Go' button. At the bottom right of the page, there is a small copyright notice: 'Copyright © 2012 Virtual Industries Group'.
