A primary school of the Lutheran Church

Love your enemies..

I know there are few people who don't like me... one of the first things you learn in Principal school is that you can please some of the people some of the time but you can't please all of the people all of the time!

And there are times when I say and do pretty dumb things which are far from endearing (and I humbly apologise to the crew at the Reject Shop for a poor effort a fortnight ago at being funny.)

But I don't feel like I have too many enemies. At least I hope not.... But I do know of one enemy that often pipes up with some pretty discouraging stuff.

This enemy can often be heard saying that I'm lousy at something or that when I make a mistake I'm a loser. This enemy also encourages me to give up all too easily and sometimes to not even bother at all.

Who is this enemy?

It's me. I'm my own worst enemy by the things I say to myself and the things I choose to believe.

So this week's bible verse on 'loving your enemies' I think speaks to any of us who think less of ourselves than God does. 2 Corinthians 6 says.... 'But to you who are listening I say: Love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you....'

When we recognise that we are often our own worst enemy this passage could become....

'But to you who are listening I say: Love yourself, think well of yourself, be a blessing to yourself, pray that you might love your self the way God loves you....'

Martin Luther King said that 'love is the only thing that can turn an enemy into a friend.'

God's love can change the way we see others and most importantly, the way we see ourselves.

SHROVE TUESDAY - PANCAKE DAY - TUESDAY 5 MARCH

Parents and Students please come and join us for **pancakes** on **Tuesday** morning as you arrive for school between **8am - 9am**

- Outside between the admin & year 6 building
- Thanks P&F for making the pancake batter
- Thanks to Gawler Lutheran Community for cooking
- Those with gluten and egg allergies are catered for with an appropriate alternative 'shake and bake' mix on the day.
- iGOSH students will have an opportunity too at 8am

Shrove Tuesday refers to the last day before Ash Wednesday and is the last day before the period of Easter known as Lent. Traditionally Shrove Tuesday was a day for gluttonous celebrations to use up luxurious foods that many people would forgo during the Christian season of Lent.

The ingredients for pancakes can be seen to symbolise four points of significance at this time of year:

Eggs ~ Creation

Salt ~ Wholesomeness

Flour ~ The staff of life

Milk ~ Purity

JUNIOR YOUTH

- For Students in **Year 4, 5 & 6** every **Thursday 4.00 to 5.30pm**
- In room 6 (Old OHSC room) with **Emma Lange** (LSO – Youth Ministry).
- This is free and a snack is supplied.
- Children experience activities like games, cooking, sport, plus a time for devotion and learning about God and developing their Faith.
- Between 3.30-4pm students can go home and return or meet Emma in room 6 at 3.30pm for a pre Youth Activity.
- If your child attends iGOSH on Thursdays they can attend Youth instead. Please email Katrina Ponte your consent.

PERFORMANCE APPRAISAL FOR PROFESSIONAL DEVELOPMENT

A PROCESS FOR PRINCIPALS OF LUTHERAN SCHOOLS.

Appraisal is an important part of quality management as it allows strengths to be affirmed and areas of concern to be addressed. All Lutheran school principals undertake such reviews every three years and in the coming weeks we will be going through the process for our Principal, Daryl Trigg.

The survey will be administered by the Lutheran Education SA/NT/WA. The survey will be an on-line survey in which all families can participate, forwarded by email, and the results will be anonymous. Your support of this process will be greatly appreciated and if you have any questions please don't hesitate to raise them.

Thanks

Brenton Lange (Chair of Council)

STUDENT ADDRESS SURVEY

Attached to this newsletter is a letter from the **Australian Government** - Department of Education and Training department regarding the **2019 Student Residential Address collection** which our school needs to submit by 18 March.

2019 IMMANUEL FAMILY DATA BASE CHECK FORM / STUDENT MEDICAL DETAILS FORM / PHOTO CONSENT

- An orange form was posted to families at the end of last year. Some families have not yet returned them.
- The form was important as it confirmed contact details, emails, student medical information and consent for Photos to be taken and used for newsletters, newspapers, media and advertising.
- It would be helpful if you can return these forms ASAP to the office.

ENROLMENTS 2020

- If you have a sibling due to start school in 2020 please ensure you have their enrolment form lodged in the front office.
- Enrolment confirmation letters for 2020 will be posted to families soon.

ARRIVING LATE / LEAVING EARLY

- The school day starts at 8.50am with the roll call at 9am.
- If your child arrives to class after 9am they are considered late and will possibly be marked absent, unless they are signed in at the front office.
- The school day ends at 3.25pm with a teacher on duty at each gate until approx 3.40pm.
- If you are picking up your child early please remember to report to the office first, and whilst you sign them out in the register, the office staff will call your child to the office for collection.
- A note to the teacher in the morning is really helpful.
- If you are phoning ahead, please don't phone too early as messages can get delayed by other duties.

Note to families who currently receive child care subsidies

You do not need to make any changes or cancellations to your current applications for government subsidies. You will receive a link in your 'mygov account' which you can activate and then adjust to nominate iGOSH as the provider for OSHC.

Remember NO HAT NO PLAY.

Please remember your school hat or have another one packed in your bag for iGOSH.

APRIL VACATION CARE PROGRAM

A planner for the upcoming holiday period will be available on Monday and bookings can then be made online as from Tuesday 5 March.

IMMANUEL'S ROCK STAR AT GAWLER FRINGE

- If you managed to make it to the Gawler Fringe the other weekend you may have seen our Mr Hueppauff playing with the band named **Schneeblys**. It comprised of music school teachers from many local schools. Our school's music tutors Shane and Zed were in it too.
- Congratulations to past Immanuel students Emily Suter, Georgia Mannion and Liam Halford who have done well with their musical talents and performed at the Fringe too.
- Mr Hueppauff is wanting to enter a group or two of Immanuel students into this years **Balaglava Eisteddfod** which is being held 2nd, 3rd & 4th August 2019. If you have an interest please let your class teacher or Mr Hueppauff know soon.

CURRICULUM - TERM 1 2019

The **IB Primary Years Program** run at Immanuel Gawler places a great deal of emphasis on learning through inquiry and students taking an active role in their learning. Some of our classes have already had an opportunity to take their learning outside the school grounds and more excursions are planned in the coming weeks.

YEAR 2 UNIT OF INQUIRY & EXCURSION TO ADELAIDE OVAL

Central idea: Community needs influence the design and management of spaces

Lines of inquiry:

- The features of spaces
- The significance of different spaces
- How communities design spaces for different purposes
- Our Year 2 students began looking at this unit by building a blue bot city for their blue bot robots, thinking about what sorts of spaces the community might need and how they would design these.
- On Wednesday 27 February they had an exciting excursion visiting **Adelaide Oval**. They looked at all the different functions the oval serves and all the design features that have been included to meet the needs of the people who use it.
- They have also had an opportunity to put together some designs for a **bush tucker garden** for submission to the Natural Resource Management Board, who are looking at a funding application from the school.

It's fantastic to see students' learning so closely tied to real world applications.

GAWLER ENVIRONMENT CENTRE PHOTOGRAPHIC COMPETITION 2019

YEAR 6 - UNIT OF INQUIRY & EXCURSION "HOW WELL DO YOU KNOW GAWLER?"

Our Year 6 students had the chance to get a sneak preview of their year's units of inquiry when they took part in a scavenger hunt based around all the units they will cover for 2019. As part of their day's experiences, they also had a chance to visit the new Gawler Civic Centre and to try out some new sports.

Lily and James have provided a report on their day:

YEAR 6 EXCURSION

On Friday 15 February 2019 we went on an excursion around Gawler. We did a photographic scavenger hunt, played lawn bowls, had fun playing tennis and went on a tour of the new Civic Centre. It was a great day.

SCAVENGER HUNT

All the things we photographed linked to our Unit of Inquiry in some way. Some of the interesting things we found were The Flying Fox in Lesley's shop, a cup of flour from a bakery and an electric car charging! Some of us even had a chance meeting with Mr Tony Piccolo.

TENNIS and LAWN BOWLS

For tennis and lawn bowls the year six's split into our separate classes to do the activities. In lawn bowls we separated into groups of 5 and had fun figuring out how to get the ball to hit the kitty. In tennis we had free time to experiment playing tennis.

CIVIC CENTRE

We had a tour of the new Gawler Civic Centre. We got to see the new Youth space and much more. We also went on the balcony and got to learn more about the aboriginal culture.

We learnt that there are lots of things to do in Gawler. It was a great day!

IPAD BOOT CAMP

- Students in Years 4 to 6 have been working through their **iPad boot camp** in preparation for taking responsibility for an iPad. They have been learning about the features of their iPads and about digital citizenship and positive online behaviours.

CYBER SAFETY:

- Please be aware of a disturbing internet character we have been made aware of this morning, which has been targeting young children while using YouTube for Children on the internet. Please Google "Momo" if you would like to familiarise yourself more with this.

PREMIER'S READING CHALLENGE

- The Premier's Reading Challenge has commenced for 2019. Students in Years 4 to 6 will soon be provided with record sheets, while students in Years F – 3 will complete the challenge as a class.
- To complete the challenge, students are required to read eight books from the PRC list and another four of their own choice.
- You can access the PRC booklist at the following link: <http://www.premiersreadingchallenge.sa.edu.au/prc/pages/staff/printbooklist/?reFlag=1>

FAMILY NIGHT FUN!

We had over 300 parents / kids join us last Friday 22 February after school for our annual Family Night.

The kids had fun playing games on the bottom oval and getting Mr Semmler wet with the sponge throw.

The food was great! The burgers and sausages were served by our P&F group. Nachos were made with the help of our Stephanie Alexander Kitchen Garden Crew. Delicious desserts were made by our Carers Group. Games and drinks were set up and coordinated by our team of staff. Thank you to everyone!

If you missed out on this fun social evening well, there is always next year!

Australian Government

Department of Education and Training

For parents/guardians of students:

2019 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested that your child's school provide a statement of addresses, in accordance with the Australian Education Regulation 2013 (Cth) (Regulation).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of students' parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

On 20 September 2018 the Government announced that it will implement a new, improved capacity to contribute methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. This follows a review of the existing socio-economic status (SES) score methodology by the National School Resourcing Board. Further information about the review and the Government's response can be found here: <https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>

The information collected in the *statement of addresses* will be used to refine the new capacity to contribute methodology and may also be used in school funding calculations from 2020.

Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (ABS), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here:

[http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/\\$FILE/MADIP%20iPIA_2018.pdf](http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/$FILE/MADIP%20iPIA_2018.pdf)

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to its service providers, including the Australian Government Department of Jobs and Small Business, for the purposes of the provision of information and communications technology (ICT) support services to the department.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the process of the address collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.
