Actions speak louder than....

Words? I think actions speak louder than pretty much everything!

I recall a scene from a Western I watched recently....

The Native American Indians were being herded onto reservations (which they had a lot of reservations about) and the settlers were making all sorts of promises. The Chief turned his head slowly and said, 'talk is cheap...'

Wise words.

This week we are considering the Christian concept of 'service' and what it means to have a Servant Heart and at the heart of this are the words 'action' and 'doing.'

Having a servant heart is all about love in action. It doesn't mean that words are not important, they are but the biggest difference between 'customer service' and 'Christian service' is the motivation.

'Customer service' (which is emphasised so strongly these days) is generally motivated by a desire to get something 'out of it'.

Genuine 'Christian service' doesn't expect anything in return.

So.... it's my hope and prayer that we might continue to demonstrate God's love in action by both word and deed.

I don't have any reservations in saying how powerful they are.

NEW INFORMATION ON VOLUNTEER CHECKS

- We really appreciate parents and caregivers helping at Immanuel with reading, excursions, camps etc.
- Those who volunteer in a school environment need to have completed
 1. **'Valuing Safe Communities' training and**
 2. **Provide a copy of a current police check or obtain a WWCC check.**
 Both of these have a life span of three years.
- As from 1 July 2019 there will be stronger, nationally consistent screening laws for people wanting to work or volunteer with children in South Australia. The new laws require people working or volunteering with children to have a valid **working with children check (WWCC)**, replacing the current system where people can have either a national police check assessment or a DHS screening. More info can be found at <https://screening.sa.gov.au/>
- From 1 July 2019, a WWCC can only be issued by the DHS Screening Unit. Our school is a registered business to initiate this check. To apply you will need to provide your full name, date of birth and an email address to Jenny (authorised person) in the office, and a government form will be emailed to you to complete and submit. There is no cost to apply as a volunteer in a school.
If you have a current police clearance this will still be valid for a 3 year period, following this you will need to provide a WWCC check.
- **Valuing Safe Communities' training** will be held with Daryl Trigg every term. Next session is **Wednesday 7 August at 2.30pm and 6.30pm.**
If you attended this training in 2016, your certificate has now expired so you will need to attend the training again this year.

YEAR 6 CAMP TO CANBERRA

GOVERNMENT CIVICS EDUCATION REBATE PROGRAM

Year 6 students have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government has contributed funding of \$60 per student under the Parliament and Civics Education Rebate program towards those costs. A discount was included in the pricing of the camp for parents and so the rebate will be paid directly to the school.

Last week after camp the year 6 students were given a task to write some persuasive texts about why the 2020 year 6's should have the same opportunity. Here are some phrases:

Going to Canberra is an amazing experience for any child because it is a lifetime opportunity. The 2020 year sixes must go to Canberra to have the same experience as we had. *Ellie McD*

The trip to Canberra was fun and exciting. Canberra is the capital of Australia and there is a lot of history to learn, famous landmarks to see, interesting facts and a world of politics. I strongly advise that the 2020 year 6 students need to go, as it will be a once in a life time experience. *Chloe P*

To whom it may concern, I strongly believe from my experience that the 2020 year 6's should go to Canberra for camp as they will learn about how Australia is run, how all the laws are made and passed through parliament. They will gain some independence and also will have a lot of fun. *Lily T*

I truly believe that Canberra is the best experience for any middle school student. On the camp we got to meet Peter Cosgrove and have a Q&A session with him. *Abigail S*

I believe that next years year six students should go to camp in Canberra, as it will be a life time experience and an opportunity to see all the sights of Canberra. *Sabra C-M*

SAPSASA ATHLETICS DAY

On Tuesday 7 May our School Athletics Team competed at the Gawler District SAPSASA Athletics Carnival at Trinity College.

Our team consisted of 32 keen and excited students across Years 4-6. The weather wasn't the most pleasant to compete in, however our team continued to dig deep, stick to the task and give their very best as we ran, threw and jumped to produce a number of fine performances. We are so very proud of all our athletes for their efforts in such trying conditions and with the way they represented our school.

A special congratulations goes to **Jeff P, Alex F and the twins Tate and Beau G** who have made the District Athletics Team for their impressive efforts on the day. We wish these four all the best as they compete at Athletics SA Stadium in Mile End on Monday 20 May at the Country Championships.

Congratulations also goes to Joseph C who has made the District Cross Country Team competing at Oakbank soon.

We wish to thank the parent helpers who attended on the day for their support of our athletes and for helping the carnival organisers. Your time and commitment are much appreciated. Despite the weather the BBQ dished up a sausage sizzle and bacon and egg sandwiches to hungry parents and participants. Thanks Immanuel!

PYP CURRICULUM THIS WEEK IN YEAR 2 AND YEAR 4

The **Year 2 classes** have been looking at **role models**; who they are, why they are role models and what characteristics they have that we value.

Central Idea:

Our role models reflect who we are and what we believe

Lines of Inquiry:

- How and why we choose role models
- Role models in different times and places
- Influence of other people on our choices and actions

The classes have researched different role models and constructed some fantastic **biography boxes** to tell people all about them.

The **Year 4 classes** have been inquiring into **sustainability**.

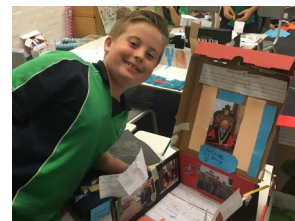

Central Idea:

We have a responsibility to live sustainably

Lines of Inquiry:

- Ways we manipulate the environment
- World views on caring for the Earth
- Strategies for sustainable resource management

As part of their inquiry, they have been doing some coding work with Mr Cochrane in **digital technologies** sessions. They have used their iPads to design some games to help promote sustainability. They have really enjoyed making their games and sharing them.

YEAR 5 CURRICULUM

Our Year 5 students have commenced a unit looking at justice systems and how they operate.

Central Idea:

Justice systems affect and reflect the communities people live in

Lines of Inquiry:

- Purposes of justice systems, • Elements of justice systems, • Effectiveness of justice systems

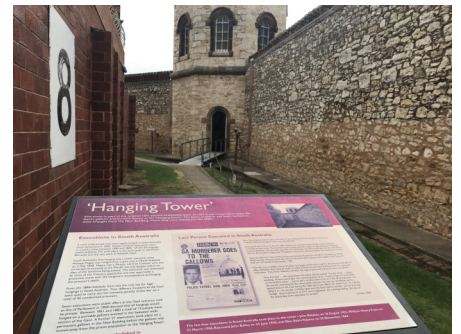

They started their unit with a visit to the Old Adelaide Gaol as part of their camp, focusing on the corrections area of the justice system. They will also look at law making, law enforcement and the court system.

YEAR 5 CAMP - Wednesday 8 to Thursday 9 May 2019

Due to the wet and windy weather last week the year 5's had to quickly change their camp itinerary.

On Wednesday they travelled into **Adelaide** and toured the **Old Adelaide Gaol**. Instead of camping at West Lakes Park that night they headed back to school and **set up camp in Taikondi**.

On Thursday (in place of the Aquatics sport program) they headed to the **Aquadome** at Elizabeth for a **swim** in the heated pool, then onto the **movies** at Salisbury to watch **Wonderland**, followed by a visit to **Bowland** at Salisbury for a game of **Ten Pin Bowling**. **Everyone had a great 2 days.**
