## Big Mac

I remember hearing a song years ago that went along the lines of, 'O Lord, its hard to be humble, when you're perfect in every way....'. Some brief research reveals that the song was written by Mac Davis in 1980. (It turns out he also wrote the Elvis Presley song 'In the Ghetto' which is one of my favourite songs.)

Humility is the theme of our bible focus story this week where Jesus tells a parable about weddings and invitations and humility.

Luke 14 - 8

'When you are invited to a wedding feast, don't sit in the seat of honor. What if someone who is more distinguished than you has also been invited? The host will come and say, 'Give this person your seat.' Then you will be embarrassed, and you will have to take whatever seat is left at the foot of the table!

"Instead, take the lowest place at the foot of the table. Then when your host sees you, he will come and say, 'Friend, we have a better place for you!' Then you will be honored in front of all the other guests. For those who exalt themselves will be humbled, and those who humble themselves will be exalted."

(As someone who once started to head to a wedding reception after only being invited to the ceremony, this story certainly rings a wedding bell!)

In Jesus time there was a culture of hierarchy and people were born into positions of stature. Lots of people were made to feel that they were born into the spiritual ghettos of their society.

In typical Jesus fashion, he turned the cultural morays of the time upside down and challenged people to see themselves and each other in the same way that God see's them. As loved and worthy children of God.

## THE PRIMARY YEARS PROGRAM

### Natural Maths

This week we hosted a visit from Ann Baker, founder of Natural Maths. Ann spent some time during the school holidays, working with our teachers on developing our maths teaching. Natural maths focuses on developing depth of understanding of mathematical concepts and improved fluency with numbers and operations. Natural maths involves some different thinking about maths too, with students involved with visualising problems and working with different mental calculation and problem solving strategies.

Ann spent time in a number of our classrooms and worked with our teachers and LSOs during the day, demonstrating how Natural Maths can be implemented. It was a great day of learning for students and teachers alike.

### Think U Know

Last week our Year 4, 5 and 6 students attended a Think U Know session presented by SAPOL. The session took the students through some very valuable and interesting information on cyber safety.

They had an opportunity to hear about current issues and things to be aware of when it comes to staying safe online. This was a great follow up to our iPad boot camp at the start of the year. A session was also presented to parents in the evening.

### Foundation Unit of Inquiry – Where we are in place and time

Our Foundation students have been working on a unit of inquiry based on the central idea:

*"People have connections to special places."*

They have been looking at what makes places special and the different ways places are represented. They took a day out to explore Gawler, stopping at some of the places that are significant in our town.

## THE PRIMARY YEARS PROGRAM

### **Year 1 Unit of Inquiry – How we organise ourselves**

The Year 1 classes have been looking at a unit of inquiry based on the central idea: *"Communities provide services to meet people's needs."*

They have had the opportunity to hear from a lot of different people in our community about their different roles and the services they help to provide to our community. It has been great to see our school parents coming in to share about their work in the community.

This week we also had a visit from some local police officers, who told us about their jobs.

Last week we had a visit from the local Ambos.

### **Year 6 Exhibition**

Our Year 6 classes have started planning for their Exhibition, which will be happening in Term 4.

They are looking at the theme of *Sharing the planet* and will be identifying issues of local and global significance to inquire into further. To start students thinking they took a trip on Thursday 5 Sept to the Food Forest, a permaculture farm and learning centre in Gawler which grows over 160 varieties of fruit, nuts, grains, vegetables and timber.

The Food Forest shows how an ordinary family can grow its own food and create a productive and diverse landscapes.

### **ZION PRESCHOOLERS VISIT IMMANUEL**

Last Friday the 2nd group of Zion Preschool children visited Immanuel and interacted with our Foundation classes. They enjoyed a music session, play investigations and story time.

### **FRIDAY ELECTIVES**

Electives have been held over the last 4 Friday afternoons. Its an opportunity for students to break into small groups across the school and be involved in an activity.

### Weekly Advice

What do you think about yourself? How do you speak about yourself? Are you kind to your self? If your answer said that you do speak bad or think bad or are unkind to yourself here's something to consider. Say this to yourself. I will no longer allow negative thoughts or feelings to drown me of my energy, instead I will focus on all the good things that are in my life. I will feel it, think it and speak it. By doing so I will send out vibes of positive energy into the world and I will be grateful for all the wonderful things it will attract into my life.

### Whats been happening lately!

#### Cyber safety

On Monday the 26th Aug we had a police officer come into our school and teach our year 4-6s about being safe online. We learnt what to do and what not to do to keep ourselves safe. He talked about what to put on your social media account and how to keep it safe like putting your settings on private. He also talked about the Mr Trigg test. The test will help you to think before you post or sent something that may not be appropriate, so all you have to do is think if you would want Mr Trigg to see what you just posted or sent.

## The kids side of the news

Next week we have a wonderful concert planned, A Musical Therapy. The upper Primary Students will be performing. The concert is so exiting . We have two shows the Matinee and the evening. Both will be so much fun. After the evening concert on the Friday all the students have a ..... PUPIL FREE DAY whoooooooooo Aka princess glitter woof!

Concert is an such an exciting day, The fun vibes that go from the matinee to the night. The upper primary has been extremely busy practicing the the performance most days. The theme is we're all in this together, because together we're better. By the time concert arrives you won't be able to stop the beat!

As you know on Wednesday 27-8-19 it was the most terrifying and exhausting day of the year. PHOTO DAY!!! Dun dun dun. It was time to perfect your smile, style your hair and tidy your collar. The photographers hopefully HOPEFULLY! did a great job capturing your best smile. The teachers had an fun collection of photos with all of them supporting at least one of the AFL teams whether with a scarf or a hat but in Mr Semmlers case a full portrait picture of the west coast eagles covering his whole face.cant wait to see how great our photos turned out.

By #sparklyicedragon

A couple weeks ago our school had a stall at the Gawler show! A big thanks to all the helpers! Your generosity of your time was greatly appreciated! Congratulations to the couple of bands and dancers preforming at the show! You all did so well! Lily and Alyssa (yr 6) choreographed their own dance to preform and Band A Mikayla, Estelle, Lucy, Charlotte, Elijah and Abi did a wonderful job with their two numbers The middle by jimmy eat world and set fire to the rain by Adele! Band B Chloe, Inarie, Annabelle, Kayla, Sabra and Eva also did an amazing job with their two numbers Dream Catcher by Chloe herself and scars to your beautiful by Alessia Cara! Some of our students entered items and won a prize! Congratulations to Lucy Stomaci who entered a made a wrap around skirt and shirt and won first and third prize! Well done! Again a huge thanks to everyone and congratulations to all our performers!

We hope every one had a great Father's Day and we hope everyone took the time to appreciate our wonderful dads who provide for us and help us!

To all the dads that are reading this.... Thanks for being so awesome YOU ROCK!

## Potential Bus Service 2020

In a recent School Survey, we asked the question, 'Would you be interested in utilising a bus service if one was offered?'

47 (anonymous) families responded that they have an interest and logged an address/location.

As a school we have access to some very sophisticated geographical data which helps us pin point locations around Gawler for potential enrolment growth and when this data is matched to the survey responses it is clear that a service incorporates (in order and approximately): **Willaston / Hewett / Evanston Gardens / Evanston Park / Gawler South / Springwood / Gawler East** is quite viable.

This is effectively an anticlockwise circle around our school of the inner local areas. (This would mean that Willaston / Hewett would be the first ones picked up in the morning sometime soon after 8.00am and also the first ones dropped off in the afternoon soon after 3.30pm etc)

While it is not planned to be a 'door to door' service we do expect to devise a route that is a tailor made as much as possible to family locations.

A schedule of fees will be developed but we are mindful of ensuring that it is affordable.

So... the next step is to gather names and addresses so we can begin to shape this over the coming months and develop a service that works for our community.

If you are interested in the concept of a bus service, we ask you to please complete the form attached and return it to school at your earliest convenience.

We understand that circumstances change and we are not seeking a firm commitment – rather an indication of intention.

When we have the information in the form attached our next step will be to develop a time table and schedule of charges. And when that is finalised and shared, we will then seek expressions of commitment.

Please don't hesitate to contact me if you would like to discuss this further.

Daryl

**Please return this form to the front office Att: Daryl**

## **A Bus Service for Immanuel 2020**

Name: \_\_\_\_\_

Students likely to use the service: \_\_\_\_\_

Address for pick up/drop off: \_\_\_\_\_

**Please tick any of the following that apply to you**

Mostly our use would be:

- ◇ Daily – AM and PM
- ◇ Daily – AM
- ◇ Daily – PM
- ◇ Only a few specific days/times of the week, but generally the same days
- ◇ Only casual – now and then when I need the support/help.
- ◇ Comment:

I would use the bus service if it:

- ◇ Stopped within 100 meters of the place of pick up / drop off
- ◇ Stopped within 250 meters of the place of pick up / drop off
- ◇ Stopped within 500 meters of the place of pick up / drop off
- ◇ Only if it was pretty much door to door
- ◇ Comment:

I would use the service if the costs were approximately:

- ◇ Casual rate of \$2.50 a trip
- ◇ Weekly full-time rate of \$15 a week (10 trips at \$1.50 per trip)
- ◇ Weekly part time rate of \$10 a week (5 trips max at \$2 per trip)
- ◇ Comment:
