Australian Lutheran World Service | What if... | the GRACE project

Did you know it takes $26 to send one child in a developing country to school? That means that if every student in the school raises $5, we could change 64 kids lives, that's the same amount as the entire foundation unit! What if we could make that possible?

ALWS "WHAT IF" FUNDRAISER

At the top oval

RECESS TIMES | 16-20 SEPT 2019

If you participate in this fundraiser you will be running/walking laps of the oval in the goal to do 26 laps while getting sponsored by family and friends, hopefully you will be able to earn around a dollar a lap.
We hope that you will be able to participate and earn for the charity. There is no minimim or maximum amount of laps to do all we need is a little donation from as many people as possible.
A note has been sent home that has more information and includes a sign up sheet if you are interested. If you would like another copy or have any questions report to the front desk. We hope to see you at the event!

Did you know that it takes $26 to send one child to school?
Well we have a fundraiser planned to help children in developing countries.
So what can we do?
If you participate in this fundraiser you will be running/walking laps of the oval in the goal to do 26 laps while getting sponsored by family and friends, hopefully you will be able to earn around a dollar a lap.
We hope that you will be able to fill out this note and provide donations for the charity.
If you want to be involved, please start collecting sponserships from family and friends and bring back the money soon afterwards.
If you want to walk/run laps of the oval more than one recess then that is fine!
When: Recesses- 16th - 20th September
Where: The Oval
