School Rules

Flexing like a Russian gymnast, rules are amazing things.

They whisper ... 'Defect ... Defect ... come over to the side of non-conformity and don't be told what to do...'

Rules are made to be broken, aren't they? (Who said we can't have a camp fire in April? That rule is no match for us - let's throw some light onto common sense....)

But some rules really are crazy, aren't they? (Did you know that it is still a law in Australia that only a licensed electrician is allowed to change a light bulb? And that Taxis' in Queensland are still legally required to carry a bale of hay in the boot!)

As the years have gone on though, I have learnt that thumbing your nose at some rules can leave you with a sore thumb, nose, wallet and sense of pride.

Over the first few weeks of this term we will be considering the 10 Commandments and what a gift they are (to us.)

Like the bars at 'Bumper Bowling', that stop us from running into the gutter, the 10 Commandments have stood the test of time and have been an invaluable gift to God's people as we aim to live in relationship with him and each other.

How we use them, is up to us and how we want to roll through life.

2020 Term Dates

Term 1 Tuesday 28 January to Thursday 9 April

Term 2: Monday 27 April to Friday 26 June

Term 3: Monday 20 July to Friday 25 September

Term 4: Monday 12 October to Wednesday 9 December

Welcome back to Term 4! We hope you have all had a refreshing break and are all set to finish off a year of learning.

2020 PLANNING CLASS PLACEMENTS

- We welcome input from families around class placement for 2020 and we ask that this is passed on by email to daryl@ilsa.sa.edu.au by Friday the 1st of November (week 3). Generally this input will be around learning needs and information that will help us place students for maximum success. We ask that families refrain from 'requesting teachers' especially as teaching staff can (and will) change due to either leaving our school or changing grades – both of which can happen very late in the year as we respond to the context and circumstances that happen.
- If you are not returning to Immanuel in 2020 (other than moving into a secondary school) please be reminded that a terms notice is required.

POTENTIAL BUS SERVICE FOR IMMANUEL 2020

- As noted in previous Newsletters we are looking at starting a bus run for students to / from school. We need to gather names and addresses to develop the service to start in 2020. Any responses need to be returned by Monday 21 October.

MUSIC TUITION 2020

- We have several music tutors who come to Immanuel each week and take students for one on one instrument lessons or singing lessons.
- For example drums with Zed, guitar with Cameron, Piano or Flute with Karen, Singing with Dallas, Violin with Roger.**
- Please register your child's interest for private music tuition in 2020, by completing a form from the office or download off the website and return it to Mr Hueppauff (Music teacher) or via the office.
- It is very exciting to witness a wonderful buzz around the school and a musical culture continuing to flourish and grow.

UNIFORM

- In recent surveys there has been feedback around uniform and student adherence to the policy.
- We understand that there are times when students will need to be in a variation from the set policy, but for these times we ask that parents/caregivers supply a note of explanation. For some students it's around a medical condition or at times it can be simply because a pair of shoes have broken and need replacing (etc).
- However, we are asking families to do their best to support the policy, but when occasions arise that there needs to be a breach, please supply a note of explanation.

SCHOOL DAY / PUNCTUALITY

- The school day **begins at 8.50am**. Parents are reminded that it is their responsibility to ensure that their child/ren arrive at school in plenty of time to be well enough organised so they are INSIDE their classroom at 8:50am. Students who arrive after 8:50am are considered **late** and need to be signed in at the office by the parent / caregiver. If your child is **absent** please ensure you advise the school by 9.30am (via phone or email)
- The school day **ends at 3.25pm** so children are expected to be at school until this time. If you need to pick up early **a note to your teacher** in the morning is really helpful. Phone calls to the office are welcome, although can be delayed if other priorities come along. Please report to the school office and sign your child out whilst your child is called to the office.
- Late arrivals and early departure times will be calculated as minutes missed and noted on Semester 2 reports, along with the number of full absent days.

SPORTS DAY - WRAP UP - FRIDAY 27 SEPTEMBER 2019

The weather was perfect for a Sports day on the last day of term 3. We had a huge attendance from family and friends, so thank you for coming to watch and support your child.

The sausage sizzle was busy all day. Thanks Emma and the team of BBQ cooks and servers. Money raised will go towards resources for the Youth Group which Emma Lange coordinates every Thursday after school for students in year 4,5 &6.

The tea, coffee and muffin stall manned by our Carers Group traded very well too. Thank you for providing this service for our parents and visitors. Money raised will go back into supporting families needing some care and prayer.

Our Immanuel students ran, threw, jumped and did their best in every activity.

Thanks Mr Cochrane for organising a successful 2019 Sports Day.

This year we had 2 awards.

1. **"BOB FIELKE SPIRIT AWARD"**

Congratulations to the PARA PARA (Blue Team) who achieved the top score and received this award.

2. **"ROY BELL CHAMPIONSHIP AWARD"**

Congratulations to **TREVVU** (Yellow Team) who achieved 775 points and received this award.

PARA PARA (Blue) achieved 756 points and came second, **CLONLEA** (Red) achieved 752 points and came third. **MARTINDALE** (Green) achieved 717 points and came fourth.

THE PRIMARY YEARS PROGRAM

Year 1

Central Idea:

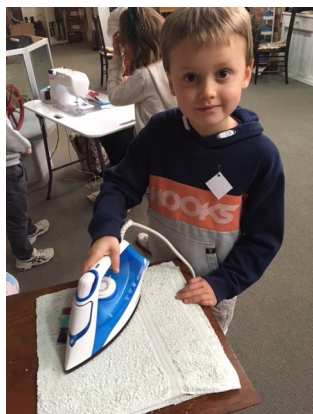

The things people do and use change over time

Lines of Inquiry

Changes in technology
Changes in people's lives
Impact of change

Our Year 1 classes have had a big week. On Wednesday and Thursday night they had their respective class **sleepover** at school. This was followed up with an excursion the next day. They visited the **Gawler Museum** to look at some of the items people used to use and some of the ways people used to live in our local area.

They then took the Immanuel Bus onto the **Barossa** to the **Tanunda Kegel Club** and enjoyed learning to play a game of Kegel bowling.

THE PRIMARY YEARS PROGRAM

Year 2

Central Idea:

Ecosystems consist of interdependent organisms

Lines of Inquiry:

- How plants grow and change
- The ways plants and animals depend on each other to survive
- Our responsibility to care for living things

Our Year 2s have started this term by looking at plants, their structure and their development. They have been watching seeds germinate, they have been growing plants in the greenhouse and they have conducted some experiments to look at how different parts of a plant function.

Year 3

Central Idea:

Understanding the properties of heat allows people to use it in different ways

Lines of Inquiry:

- Ways heat is produced
- Changes caused by heat
- Challenges with using, storing and transferring heat

The Year 3 classes have been taking part in some experiments to look at heat and how it behaves. They inquired into what happens when warm water and cold water are mixed.

Year 5

Central Idea:

We use our imagination to express ourselves creatively

Lines of Inquiry:

- The different ways people use imagination to create
- Artistic forms and techniques
- Critiquing and reflecting on art

In Year 5 students have looked into the question: What is art? They have been experimenting with different art forms and different styles and responding to different art works. This week they created some mandalas using natural materials they gathered from around the school yard.

You can see some more of our Year 5 Art Work next week.

They will be setting up an Exhibition in Taikondi from Monday to Wednesday.

Weekly Advice

Take time to know yourself. This may seem a bit silly but seriously write down all the things you like, all the things you don't like, where you feel safe, where you don't feel safe, who makes you feel happy, who doesn't make you feel happy and where you may want to be in a couple years. This can help you understand yourself and know when you need to take a moment out to calm yourself down or know when you just need some quiet company. - Chloe Pollitt

Joke Column

How does a cucumber become a pickle? It goes through a jarring experience!

Why wouldn't the teddy eat anything? Because it was already stuffed!

What's a cows favourite holiday? Moo years eve!

Did you hear about the restaurant on the moon? Great food, no atmosphere!

Knock knock. Who's there? Cows go. Cows go who? No silly cows go moo!

Welcome back to another term at hogwarts! No um I mean Immanuel! Well anyway welcome back! We all hope you had a splendid time away from school but sadly it's time time to return. I hope you got your learning boots on because this term you will learn so much your brain will EXPLODE!!! We can only hope that this term whizzes by and the holidays will arrive just as quickly as they did last time.
by sparklyicedragon

A quick reminder

Everyone should be now wearing summer uniform which for the girls is summer dress, black shoes and white socks for boys short sleeve formal shirt and grey shorts with black shoes and grey socks. If you are finding it tricky to find your child the right uniform please visit the uniform shop. PLEASE NOTE: Everyone should be now wearing the school hat! Please also wear some sunscreen to avoid sunburn. Everyone can now also be wearing shorts with the summer sport uniform! Thank You! - Chloe Pollitt

As you might know exhibition is coming up for the year 6s and we have been working extremely hard researching about sharing the planet. We all look forward to having you come in and appreciate all of our work put into the exhibits. I hope to see you soon!!!
By Sparklyicedragon

Her heart is a cold as stone,
Her smile as warm as the sun,
Her eyes as dull as a
daydream,
She can't go without being
seen

She dresses as sparkly as ice,
Thinks as logically as a chess
player,
Her emotions run high as the
trees,
She feels like you've walked
through a cold breeze

Time after time,
Year after year,
She was the season winter,
The frost of her sceptre and
harshness,
Makes you want to disappear

If you fear her she will notice,
For her skills are as great as a
juggler,
Her workers are loyal as a
Crew,
otherwise her ship will go
under

The sea of her tears,
The blue of her blood,
She sits on her throne,
No one close, no one near,

If you really think why she's so
dominant,
The bravery drowning out all
her fear,
She's as afraid of the world of
all of us,
Things aren't always as they
might first appear

For if you look closer, and
under the stars,
You might find the person
your looking, for was always
right next to your heart.

Christmas Countdown WHOOOOOOO
Hi it is me Princess Glitter Woof I LOVE
Christmas so I am doing a Christmas countdown all
year
MUAH HA HA HA I mean HO HO HO
There are 10 weeks till Christmas.
Whooooooooo sooooooo exited!

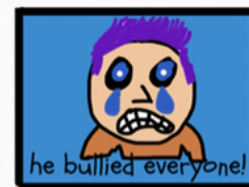

Sports day

Congrats to Trevu (yellow) for finally winning after 13
years.....

Also congrats to para para (blue) for being the most
supportive helpful and cheerful team to be able to get
awarded the Bob Fielke spirit cup (cricket bat). The
whole day Trevu (yellow) and para para (blue) were neck
and neck through out the whole day. Everyone had such
a great day cheering for their team and participating in
activities!

Hello ladies and gentlemen, I'm Abi sharp (aka
purpledancingkitten) and i'm the official new kid.
I am so honoured to be joining the 'our generation' crew, I'm
a musical theatre geek who loves maths, music and dancing
so I can't wait to start writing! I would consider myself a bit
of a nerd so this opportunity is the best thing ever! But soon
i won't be the only new kid (yay!) because we are on the
lookout for... year five apprentices! That's right, we're
getting old and soon will be retired so we're recruiting our
generation minions to teach them our ways so hopefully
when we are gone they can take our place.

Peaceful Parents

Peaceful Parents

4 WEEK PARENT WORKSHOP

The Peaceful Parents 4 week workshop is a Mindfulness & Positive Psychology based parenting program to increase resilience in primary aged children.

'Peaceful Parents' is a strength based parenting workshop that is engaging, practical and supportive for parents. It helps parents build on their parenting strengths to build resilient and calm kids.

Parents learn

- Resilience building exercises & strategies
- Mindfulness strategies to keep stress levels low
- Mindful listening & responding
- Positive psychology strategies to boost wellbeing
- Techniques to help their child lessen worrying
- Effective coping strategies
- How to help children manage their feelings
- How to help their child problem solve difficulties
- How to create healthy thinking habits

Workshop runs over 4 sessions on the dates and times listed below.

A commitment to attend all 4 sessions is required as these are not separate workshops.

Maximum of 12 parents
All parents & carers welcome

Please note that this is a 4 week educational course for parents and not a counselling course or a course on behaviour management for children.
