2020

There's something about the year 2020 that has appeal.

2020 isn't associated with computer crashes and financial fiascos... or George Orwell, Space Odysseys or Hot Summers....

Rather we think about the words Vision and Hindsight when we think of 2020.

Vision is looking forward and hindsight is looking back (which are both pretty important) but I sometimes wonder if we don't spend so much time doing both of these things that we forget to be present (in the here and now.)

I know it's something that I battle with.

So I guess that my encouragement to everyone at Immanuel this year (and especially myself) is that we live today today. That we don't live yesterday today or tomorrow today but today today. (I know that probably makes less sense than usual....)

But I think Jesus sums it up well when he says that life in abundance can be ours... today.

John 10 : 9-10 says... I am the Door; anyone who enters through Me will be saved [and will live forever], and will go in and out [freely], and find pasture (spiritual security). The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance [to the full, till it overflows].

Every blessing to you all for 2020.

My prayer is that grace, love, peace and mercy are ours in abundance this year.

Daryl

WHAT'S NEW FOR 2020

Some new things for 2020 were announced and spoken about at Wednesday nights Parent Information Session. Here is a summary:

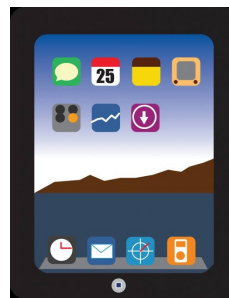

IMMANUEL'S BUS SERVICE

- This started this week with our driver Rod Dent.
- We still have spaces for students for pick up/drop off in some areas around Gawler.
If you are interested in accessing the bus service (morning or afternoon runs) please email daryl@ilsq.sa.edu.au.
- More information and prices are listed on the school website

1:1 IPADS

- Last year we implemented a 1:1 iPad Program for all students in years 4, 5 & 6. Students will soon complete their iPad boot camp and the year 5 & 6's will be provided with their iPad from last year and the year 4 students will receive a new 7th Gen iPad.
- The 50 iPads from last years Yr 6's will be distributed among the Foundation to Year 3 classes this year. We have also been fortunate enough to obtain a grant to purchase another 50 iPads which will also be used in these year levels. We are very excited about the opportunities for the learning that this will create in our junior years.

BUILDING PLANS CU2

- During the year building works will start on our new 4/5/6 block of classrooms followed by the refurbishment of the current year 2/3 area.

LYNDOCH ROAD CROSSING

This year we will revert back to having the **Lolly Pop Sticks and Monitors** being used.

- We are seeking volunteers (parents, grandparents, local community people) to help with this duty in the morning or at the end of day. If you can offer some time on a roster basis please let the office know. 20 mins in the morning or 20 mins in the afternoon is all it takes
- Training for the adult volunteers is booked in on:
Thursday 20th February at 03:45pm-04:15pm
- Year 5 and 6 students will be trained on
Thursday 5th March at 09:00am-10:00am
- In the meantime Lyndoch Road is a busy road so please be patient!

SCHOLASTIC BOOK CLUB

Issue 1 catalogues have gone home with students. Orders are due back by **Friday 14 February**.

These catalogues have some great books and games for kids, and a percentage of sales comes back to support our school library.

Parent volunteer **Stacey Challen** will again coordinate the Scholastic Book Club orders this year.

Thanks Stacey

SUBWAY LUNCHES

Subway Gawler Green will again supply the Subway lunches on a Friday.

PYP EVALUATION

- This year is a big year for our school as we will go through our 5 yearly **PYP (Primary Years Program)** Evaluation.
- We spent a lot of time last year reviewing our practices and consulting between staff, parents, students and school council.
- In May this year an Evaluation Team from the IB (International Baccalaureate) will visit the school to observe and talk to various groups in the school. We are looking for parents who might be able to help us by meeting with the team in May. If you are interested we would love to hear from you and have a chance to discuss what is involved.
- Please talk to Andrew Boesch (Coordinator of Learning) or let the office know.

LEARNING CONFERENCES TERM 1

- **Learning Conferences will be scheduled in Term 1 Week 5 (w/c 24 Feb) for students on Personal Learning Plans and Individual Needs Summaries.**
- **Remaining students will have Learning Conferences in Term 1 Week 6 (w/c 2 March).**

Learning Conferences are

- A time to catch up with class teachers to share information, learning plans and attain how your child is going in class. Students also have an opportunity to share their learning and advocate for themselves.
- In the meantime, all students at Immanuel Gawler have a settling in time, getting to know the teacher and peers, and undergo beginning of the year testing. Teachers are fully aware of accommodations that students had in 2019 through Personal Learning Plans and Individual Needs Summaries through our handover system and will be implementing them.
- Accommodations will continue until the Learning Conferences, where your input on reviewing the Personal Learning Plans and Individual Needs Summaries for 2020 is valued.

If your child has a new specialist report, please ensure that a copy has been sent through to the front office. If you are a new family to Immanuel Gawler and have information you would like to share with the class teacher, please do so informally and ensure that copies of any previous school reports and specialist reports have been forwarded to the front office for then distribution to applicable staff.

HOMEWORK 2020

We have reviewed our homework practice in the light of IB, DECD and other research and a parent survey conducted last year and we recognise there are a variety of family situations, schedules and views on homework throughout the school and so we need to allow flexibility in our approach to cater for this.

Our approach to homework can be outlined as follows:

- We focus on how to best support student learning and how to best support parents
- How to best support student learning and how to best support parents
- We will provide tasks for students at home which support their learning at school
- Homework should not be detrimental to a students attitude towards their studies
- Homework will include reading at all year levels, and a mix of spelling/word study, maths and UOI tasks
- We value reading at home and the practising of skills (see infographic below) is central
- We acknowledge that different family situations, schedules and views impact on students' homework
- We encourage communication between parents and teachers so that students' learning can be supported at home
