

## **MONDAY 30-3-2020 EMAIL**

### **What the next few weeks look like**

#### **This week T1 W10:**

- Today we had a 29% attendance rate. Thank you to families who have advised us your intention to keep your child/ren at home.
- Teachers (from tomorrow) will commence all learning (for those both on-site as well as off-site) via SEESAW. Please refer to the email sent home Friday 27/3 for the schedule.
- **iGOSH** - If you are not accessing learning on site at Immanuel this week you need to cancel any iGOSH bookings you have by contacting iGOSH via [katrinap@ilsg.sa.edu.au](mailto:katrinap@ilsg.sa.edu.au)

#### **Learning Packs and iPad updates**

- During this week all families who have been off-site since before the end of Week 9 need to come back in to school to collect learning packs. For students in Yr 4/5/6 an update on the iPad is required also to ensure Seesaw is working properly. (Please make sure iPads are fully charged.)

#### **Technology / Connectivity**

- Our students in Yr 4/5/6 are well placed via the iPad programme we rolled out last year but students in other grades may not have access to technology in their homes. We have a limited bank of iPads we can lend to families who need to have this support but they are wi-fi only and so will require connectivity. **If you are in need of this support please email [richiec@ilsg.sa.edu.au](mailto:richiec@ilsg.sa.edu.au) ASAP so that we can allocate them appropriately. These iPads may be collected on Thursday or Friday this week.**
